ATTENTION GRADUATES:

The digital sign on Route 24 has been programmed to run the graduates names and their future plans starting today. Unfortunately the sign is not working properly but will be replaced over the summer. However, until then, it has been programmed to run the graduates that names begin with A–B from today until June 5th. The next group of graduates programmed to run are graduates that names begin with the letter C–D beginning June 6th. If there is a problem, I will give it my attention when I return to work on June 10th.

ATTENTION TO ANY STUDENT THAT HAS NOT RETURNED YOUR LAPTOP:

All laptops should be brought to the office any day, Monday through Thursday from 8:00 am–4:00 pm. Please bring these as soon as possible to avoid receiving a phone call or bill in the next few weeks.

MARK YOUR CALENDARS FOR THE BUSINESS DAY FOR THE 2024-2025 SCHOOL YEAR

We have scheduled our Business Day for Monday, July 29th and we will give you more information as to the time and location once the plans have been finalized.

Rising 12th graders:

It is a Virginia State Requirement for school-aged children to have the Meningococcal Conjugate (MenACWY) vaccine prior to their entry into 12th grade. There is more than one Meningococcal vaccine so make sure your student is receiving the correct one. As of now, 60% of the rising 12th graders still need the vaccine.

The Meningococcal Conjugate (MenACWY) can be received at your primary care provider office or the local health department. Roanoke County Health Department - Vinton Branch (540) 857-7800. You will need to call and schedule an appointment with them.

If your student has had the Meningococcal vaccine before the age of 16, they will still need another before entering 12th grade. If your student has not had the Meningococcal vaccine, they will need it, and WBHS needs the proper documentation prior to the start of the 2024-2025 school year. Phone calls or notes from parents are not acceptable forms of meeting this requirement. Please meet this requirement as soon as possible.

- 1-Proof of having the Meningococcal vaccine after the 16th birthday
- 2-A notarized religious exemption form with a raised seal and registration number (no copies will be accepted)
- 3-Medical exemption form signed by the PCP indicating the permanent exemption on the VA School Health Form

You may submit your student's immunization record via fax to 540-890-7568 or it can be mailed to: School Nurse, William Byrd High School, 2902 Washington Ave, Vinton, VA 24179. You can email vaccine report to awood@rcps.us and I can let you know if it is acceptable or not. You may also opt to hand deliver it to WBHS in the summer. You can drop them off Monday-Thursday 9a-4p and have the front office place in the nurse's mailbox.

The school division has the right to **EXCLUDE** your student from school if this requirement is not met. Your student will **NOT** be able to start school for the 2024-2025 school year without this immunization. If your student is doing virtual learning, he/she will **NOT** get access to start their classes.

Please feel free to reach out to me with any questions. I hope everyone has a wonderful summer break and we will see you back in August.

The HomeTown Fan Experience simplifies the ticket purchasing process by providing a single destination where fans can search, purchase, and manage their tickets and passes in a single experience.

What is changing for your fans?

The link or URL fans will now use is: events.hometownticketing.com

- Anyone trying to reach events.ticketspicket.com will be automatically redirected to the new URL.

- Your fans can now go to events.hometownticketing.com to search for events and manage their tickets and passes on the web.

- Fans who have not downloaded the HomeTown App will receive a continuous reminder in the app to download the HomeTown Fan App until February 28, 2024. At which time, they will no longer be able to use the Ticket Spicket App to purchase tickets or search for events and will be directed to download the HomeTown Fan App to continue the ticket purchasing experience.

Exciting New Features for your fans:

- Fans will no longer be required to login with their email in order to purchase tickets.
- Tickets and Passes will be connected through a new authentication solution based on the phone number and/or email address used on their order.
