

Growing Creative Minds & Caring Hearts

Heusner Elementary

A Note from the Principal:

What a great start to a brand-new school year! Students and staff have brought wonderful energy to our school family. Teachers have been working on building connections and teaching procedures. They are laying the groundwork for year filled with learning. Our goal is that each child makes a year's worth of growth or more.

At Heusner part of our mission is that we create well-rounded students. So along with academics, we are working on developing the whole student. The marathon has become a Heusner tradition. Students set goals and learn about the hard work it takes to reach goals. Talk about learning opportunities – watching our students learn about perseverance, hard work to reach a goal and the feeling of accomplishment when we do something hard. You can encourage your student by letting them know they can do hard things. Help them to see how to reach a goal by setting daily goals. Come walk/run with your student and talk to them about the importance of healthy living.

- Lori Munsell, Principal

P.E. News from Mr. Schneck:

Make sure your student wears tennis shoes on P.E. days. Also it's important to have the correct shoes for walking/running the morning marathon. Protect your student's feet and have them wear tennis shoes.
