

# TUSTIN HIGH SCHOOL

VISUAL AND PERFORMING ARTS

NEWSLETTER - SEPTEMBER 2024

## STUDENTS OF THE MONTH

**Instrumental Music Program:** **Alize Martinez** has been a dedicated member of the Marching Band, Concert Band, Jazz Band, and Drumline over the past 4 years. This year she is our Drum Major, which is the highest leadership position in the band, and is responsible for many extra jobs to make sure the band runs smoothly. This past summer she attended a 3-day Drum Major camp at Vanguard University where she honed her Drum Major skills in preparation for the season. On October 5th she will be leading the band at Tiller Days.

**Ceramics:** **Violet Casasola** is an outstanding junior ceramic studio student that has shown dedicated involvement in various community art events. She is always willing to help out and is very skilled at the pottery wheel. Her joy for ceramics is contagious and we appreciate all of her hard work.

## SPOTLIGHT

**Tiller Media** is a unique program here at Tustin High that offers hands-on engagement for students to develop video segments and collaborate. This provides a unique opportunity for student expression and building Tiller Pride. Tiller Media not only enhances students' skills but also creates an inclusive media family that many students come back to be a part of year after year. It is our pleasure to present the best digital media experiences for the entire school community.

## THS CHOIR

By: Dawn Snider

Tustin High School Choir is back and off to a good start! Getting ready for the fall and Christmas season is great fun because of our after-school Choir Retreat! Lots of game-playing, and bonding going on here as well as working on music for school assemblies, community events, Tustin Tree Lighting and our Fall and Winter Concerts. If you are still looking for your “happy place” and love making music, 1st period Choir is where you want to be!

# UPCOMING EVENTS

---
