ACIP Goals

2023-2024

Chris Shaw, Principal

Goal #1: Improve Communication

Our goal is to improve communication with all stakeholders at OBMHS.

- Our measurable goals will be as follows:
  - Reports from REMIND and School Messenger
  - Monthly newsletter to the community
  - Weekly internal newsletter to faculty and staff
  - Consistent social media updates
  - Monthly faculty and staff meetings
  - Monthly department meetings with the guiding coalition
  - We will measure this from surveys with all stakeholders.

Goal #2: Improve Attendance

Our goal is to reduce chronic absenteeism at OBMHS.

- Our measurable goal will be as follows:
  - Track unexcused absences on a daily basis
  - Create absentee letters for unexcused absences for students and contact parents.
  - Enforce the new attendance policy that the district created for the 23-24 school year
  - Create an exam exemption guideline for students who have good attendance
  - Use of Student Conductor Program that will track unexcused tardies and contact parents
  - Our goal is to have 90% attendance rate on a daily basis.
  - Reduce chronic absenteeism by 14%

Goal #3: Increase ACT Scores

Our goal is to improve composite ACT scores for OBHS.

- Our measurable goals will be as follows:
    - ACT data review for all teachers to highlight points of improvement in the following categories: Mathematics, English Language Arts, Science, and Writing
    - ACT Prep classes
    - ACT mock exam
    - ACT Bootcamp
    - Exit ACT question tickets for each core class on a weekly basis
    - Improve ACT composite scores by .2 in each of the categories listed above

Goal #4: ACAP Scores

Our goal is to increase ACAP Proficiency Scores by 2 points for English Language Arts, Science, and Mathematics.

- Our measurable goals will be as follows:
  - Professional development on proficiency and growth for new teachers at OBMS
  - Testing platforms to practice
  - Data review from previous year
