## A Note From Fairview's Principal

### Welcome Back Knights!

*Dear Fairview High School Families and Students,*

As we approach the end of summer, I am filled with anticipation and excitement for the new school year ahead. It's been a refreshing break, and we are now gearing up for an inspiring and successful year at Fairview High School.

Our school year will kick off with our 9th grade and new students (10th to 12th grade) joining us on Wednesday, August 14th, for an Orientation Session led by Fairview's Knight Crew. We are thrilled to welcome our new freshmen and are eager to help them embark on their high school journey. All other students will begin classes on Thursday, August 15th.

I invite you to read today's Friday Flash, which is packed with essential information for the entire Fairview community, including details about Orientation Day for freshmen and Chromebook Distribution.

Our dedicated faculty and staff have been working diligently to prepare for the year, and we are committed to providing a supportive and enriching environment for all our students. We look forward to working together to make this year a memorable and successful one.

Welcome back to a new school year, Knights. Let's make it great!

*Warm regards,*

## New District Attendance and Cell Phone Policies

Regular and punctual attendance is crucial for a student's success. Research shows that missing just 10% of school increases the risk of academic struggles and even dropping out. The in-class experience is irreplaceable, and students with good attendance tend to achieve higher grades, enjoy school more, and are better prepared for college and careers. Colorado law requires parents to ensure their children, aged 6 to 17, attend school regularly to receive the education they need. Please familiarize yourself with the [new district attendance policy](#) expected for the school year.

---

## Student Conduct

As part of the Boulder Valley School District, Fairview High School adheres to the district's rules, policies, and regulations. We highly recommend that students and families familiarize themselves with the [Rights and Responsibilities: Student Conduct and Discipline Code](#).

## Class Schedule

Finalized student schedules will be viewable in Infinite Campus after 4pm on August 13th.

Schedule concerns will be addressed starting Thursday, 8/15/24

*Schedule changes will be completed in person only.* Please do not email your counselor to request a schedule change, instead, come into the counseling office during your scheduled free period. Counselors strive to balance class sizes before school begins. Classes will not be overloaded to make a schedule change.

**Below are the appropriate reasons to request a schedule change:**

- Seniors who need a course to fulfill graduation requirements.
- Students who need to drop a course that has already been taken for credit.
- Students who wish to drop a course. (Reminder: All students must have at least 6 courses. Juniors and Seniors can have 5 classes in the Second semester)
- Students who are placed in the incorrect academic level can request a change.

- Students can add classes for the first 5 days of school if there are seats available during a current free period. Schedules cannot be “rearranged” to accommodate adding classes.

**We will not be able to change schedules for the following reasons:**

- Requests for specific off periods (we cannot honor these requests)
- Lunch switches
- Teacher changes
- Requests for a current class to be moved to a different period

**Schedule change dates:**

First Semester

Drops begin Thursday 8/15/24

Clean drops through 8/30/24 (the class will be dropped and never appear on your transcript)

WP/WF drops from 8/31/24 - 9/27/24 (the class will appear on your transcript with a WP or WF depending on if you were passing or failing the class when you dropped - this does not impact your GPA)

Drops after 9/27/24 will receive an “F” on your transcript

Academic Placement Changes:

Academic Placement Changes (example: from LA 9 to PIB LA 9) will be considered from Thursday 8/15/24 - Friday 9/27/24.

Second Semester

Drops begin Monday 12/2/24

Clean drops through 1/21/25 (the class will be dropped and never appear on your transcript)

## CAFETERIA

Children need nutritious food to learn. The Boulder Valley School District offers nutritious meals every school day. Your children may qualify to receive free or reduced price meals. In many cases, eligibility for these federal school meal funds and programs is tied to the number of students who qualify for meal benefits. Even though meals are free, it is still very important that families complete the Free and Reduced Price Meal application, as it can waive or reduce fees district-wide for families, can impact transportation for some families, and impacts important funding for individual schools. Visit [food.bvsd.org/meals-nutrition/free-reduced-meals](http://food.bvsd.org/meals-nutrition/free-reduced-meals) for information on applying for the Free and Reduced Price Meal Program.
