Castle Safety

Dear Knights and Families,

As we kick off the school year, it's crucial to prioritize safety on our open campus. We encourage parents to discuss personal boundaries and online safety with their children while also reviewing school safety procedures. Students should feel empowered to invite peers to join them and report any concerning behavior to trusted adults. Staff are encouraged to create a welcoming environment and take safety drills seriously. With over 2,000 individuals at Fairview High School, adhering to parking rules during drop-off and pick-up times is essential for maintaining a safe environment for everyone. [Click here](#) for detailed information on safety resources and procedures. Thank you for your cooperation, and let's work together for a successful school year!

SkoKnights!

Best,

Dr. Scarlet Chopin

Principal, Fairview High School

Key Information for Your Attention

Reminder: Respect Private Property During Drop-Off and Pick-Up

Neighborhood Safety Reminder: Respect Private Property During Drop-Off and Pick-Up

As a community, it's essential that we work together to ensure the safety and well-being of everyone around Fairview High School. Recently, there have been concerns from our neighbors regarding parents parking in private spots at the townhomes across from the school during student drop-off and pick-up times.

We kindly ask all parents and guardians to respect private property and refrain from parking in areas reserved for homeowners and their guests. Not only does this inconvenience our neighbors, but it also creates safety hazards for young children and pets in the area.

Please be mindful and use designated school parking areas for drop-off and pick-up. Let's work together to keep our community safe and respectful. Thank you for your cooperation.

To support your student's success, please review our updated attendance and technology policies. Regular attendance and minimizing distractions from personal technology are essential for a productive learning environment.

For detailed information on the new attendance reporting procedures and cell phone expectations, click the link below:

Thank you for your cooperation in helping us create a focused and supportive academic atmosphere!
