

Mission Statement: We Prepare Each Student For Success In Life

Lee's Summit R-7 Elementary Progress Report

Student Name: 4Data Data Systems 4

School: Data Systems Test

Grade: 4

Teacher:

Purpose: The purpose of the Lee's Summit R-7 elementary progress report is to communicate what students should know and be able to do based upon grade level learning expectations. The progress report provides feedback to students and parents about a child's academic, social, and behavioral development. It further provides an opportunity to set student goals in each of these areas.

Academic Performance Indicators:

- M** - The student is consistently and independently **meeting** proficiency of the grade level standard
- P** - The student is **progressing** toward consistent and independent proficiency of the grade level standard
- E** - The student is **experiencing** difficulty understanding the grade level standard
- T** - Taught
- Standard not addressed at this time

Math	Academic Indicators			
Operations and Algebraic Thinking	Q1	Q2	Q3	Q4
Demonstrate an understanding of factors and multiples				
Choose the correct operation to solve multi-step word problems				
Generate number patterns and algebraic rules				
Number and Operations in Base Ten				
Demonstrate an understanding of place value of multi-digit whole numbers				
Demonstrate an understanding of multiplication of multi-digit whole numbers using multiple strategies				
Add and subtract multi-digit whole numbers				
Demonstrate an understanding of division of multi-digit whole numbers using multiple strategies				

Math	Academic Indicators			
Number and Operations - Fractions	Q1	Q2	Q3	Q4
Recognize and generate equivalent fractions				
Compare fractions				
Add and subtract fractions and mixed numbers with like denominators				
Solve word problems involving fractions and mixed numbers				
Demonstrate an understanding of decimal notation for fractions with denominators of 10 and 100				
Compare decimals				
Read, write, and identify decimals to the hundredths place				
Measurement and Data				
Convert, apply, and solve problems involving measurement				
Demonstrate an understanding of area and perimeter				
Create and interpret data				
Geometry				
Classify two-dimensional shapes by properties of their lines and angles				
Identify, measure, and sketch lines and angles				

English Language Arts	Academic Indicators			
Reading Literature & Informational Text	Q1	Q2	Q3	Q4
Reads with sufficient fluency and accuracy				
Analyzes text structure to comprehend a variety of fourth grade texts				
Asks and answers questions when reading to comprehend a variety of fourth grade texts				
Determines importance to comprehend a variety of fourth grade texts				
Makes inferences to comprehend a variety of fourth grade texts				
Develop vocabulary and determine the meaning of words and phrases as they are used in texts				
Writing				
Develops and strengthens writing as needed by planning, revising, editing and publishing				
Writes narratives to develop real or imagined experiences or events				
Writes opinion pieces supporting a point of view with reasons and information				
Writes informative/explanatory texts to examine a topic and convey ideas and information clearly				
Plans for research and gathers relevant information from a variety of sources				
Language				
Applies the conventions, grammar and usage of standard English in writing				
Spells grade level appropriate words correctly in writing				
Speaking & Listening				
Speaks and listens effectively in multiple contexts				

Science	Academic Indicators			
Life Science	Q1	Q2	Q3	Q4
Identify plant and animal structures and functions necessary for survival				
Earth & Space Science				
Investigate and analyze Earth's physical changes				
Physical Science				
Analyze the characteristics of waves				
Investigate and explain force in motion and the transfer of energy				
Engineering and Technology				
Understand and use scientific and engineering practices to conduct investigations and solve problems				
Social Studies				
History				
Identify explorers and the migration of people				
Examine the founding of America with events leading up to the Revolutionary War				
Examine the Declaration of Independence, the Constitution, and the Bill of Rights				
Examine major events & people of the Revolutionary War				
Geography				
Analyze various approaches to Settlements & Colonization				
Economics				
Examine and describe economic concepts				
Political Science				
Examine and describe the characteristics of federal government				

Characteristics of a Successful Learner Indicators
4 - Student consistently demonstrates this skill
3 - Student demonstrates this skill most of the time
2 - Student demonstrates this skill some of the time
1 - Student requires on-going support to develop and demonstrate this skill

Characteristics of a Successful Learner	Indicators			
	Q1	Q2	Q3	Q4
Accepts responsibility for choices and behavior				
Demonstrates self control in structured and unstructured settings				
Follows oral and written directions				
Follows school/classroom rules and procedures				
Listens attentively				
Respects rights, opinions, and property of others				
Responsible for completion and quality of work
