From: LOPEZ Early College High School
Date: August 12, 2024
Subject: **Notification to Parents that Student being Taught by Non-Certified Teacher**

In accordance with Every Student Succeeds Act (ESSA) /PARENTS' RIGHT-TO-KNOW requires that parents be notified if their child is assigned a teacher for 4 or more consecutive weeks who does not hold an appropriate state teaching certificate in the area in which the teacher has been assigned. Consequently, I am taking this opportunity to inform you that your child's (subject or grade) (teacher or substitute teacher) does not currently have the appropriate state teaching certificate or permit.

Although your child's teacher does not have the appropriate state teaching certificate, we do believe that (the teacher's name) is qualified to teach in this assignment. Our staffing decisions are made to provide the best qualified person available for each class. In addition, the campus administrator will be evaluating each teacher's performance in the classroom to ensure that your child receives quality instruction.

May include the following sentence(S), if applicable:

(Teacher's name) is currently certified in (grade/subject) and (grade/subject) under the laws of the state of Texas (or specify other job-related credentials).

Optional for substitute assignments:

We expect this teaching assignment to continue until your child's regular classroom teacher returns from a leave of absence.

Teachers may meet this requirement if the district is implementing its approved District Innovation teacher certification policy or if the teacher meets the State Certification assignment rules.

If you have any questions regarding your child's teacher assignment, please feel free to call the school at (956) 982-7400.

Sincerely,

Principal
