Information Technology

Networking Systems

SCIENCE, TECHNOLOGY, ENGINEERING & MATH ENDORSEMENT or BUSINESS & INDUSTRY ENDORSEMENT

The Networking Systems program of study explores the occupations and educational opportunities associated with designing and implementing computer and information networks, such as local area networks (LAN), wide area networks (WAN), intranets, extranets, and other data communications networks. This program of study may also include exploration into analyzing science, engineering, and other data processing problems to implement and improve computer systems.

Level 1	**7931** Fundamentals of Computer Science
Level 2	**7410** Computer Maintenance **7932P** AP Computer Science Principles **7379** Entrepreneurship
Level 3	N/A
Level 4	**7431** Practicum in Computer Technician **7496** Independent Study Mentorship

Industry-Based Certifications offered in this Program of Study include:

- CompTIA Tech+
- CompTIA A+
