## Castle Safety

### Stay Safe: Essential Back-to-School Tips for Knights and Families

Knights and Families, as we enjoy the freedom of an open campus, it's crucial to prioritize safety. Please review the BVSD Be Safe resources and our [Top-10 Back-to-School Safety Tips](#). Parents, ensure students bring appropriate items to school, and discuss bodily autonomy, consent, and online safety with them. It's also important to review crosswalk safety and school procedures together to ease any concerns. Students, remember to be inclusive and report any concerning behavior to a trusted adult. Your vigilance helps keep our school community safe and welcoming for everyone.

### Reminder: Respect Private Property During Drop-Off and Pick-Up

#### Neighborhood Safety Reminder: Respect Private Property During Drop-Off and Pick-Up

As a community, it's essential that we work together to ensure the safety and well-being of everyone around Fairview High School. Recently, there have been concerns from our neighbors regarding parents parking in private spots at the townhomes across from the school during student drop-off and pick-up times.

We kindly ask all parents and guardians to respect private property and refrain from parking in areas reserved for homeowners and their guests. Not only does this inconvenience our neighbors, but it also creates safety hazards for young children and pets in the area.

Please be mindful and use designated school parking areas for drop-off and pick-up. Let's work together to keep our community safe and respectful. Thank you for your cooperation.
