

# Manhattan High School Graduates From Before 2000

These lists are taken from the assorted yearbooks in the MHS library. Quite a number are missing and we would love to fill in some of the gaps. If you have any of the missing annuals, it would be greatly appreciated if you could bring it to the school and we would make copies of the pages. Emailing scanned images or photos of the Seniors in the yearbook to a librarian would work for this project but we would love to make copies of the whole annual to put on the shelves of the library. Donations would certainly be appreciated as well.
