

# Dual Enrollment - CSULB Ethnic Studies

Introduction to Racial and Ethnic Studies is a survey of race and ethnic relations in the U.S. with focus on four racialized groups: American Indians, African Americans, Asian Americans, and Chicanas/os/xs and Latinas/os/xs. Special attention is given to the formation and transformation of each racialized ethnic group and their particular and collective roles in the shaping and development of the United States.

## Benefits:

- High school credit
- Participation in a college level course
- CSULB credit for ES Grad. Requirement
- College application boost
- Career exploration
- Intellectual growth
