

Hello and welcome to the 2024-2025 school year! I am your music teacher, Ms. Rostykus. This is my 3rd year at Coquille Valley Elementary and I'm thrilled to be your teacher in making music. We will share, support, learn, and grow as a musical family. And, if you elect to take choir or band, we will learn and refine more specific skills!

I am here for every step and experience great joy teaching you music. Let's have fun together through music!
