### Class Dojo

I encourage families to connect to the Class Dojo app. The messaging feature works like text messaging so communication between myself and parents is easy, fast, and convenient. It is also a great way to stay informed, as I send out weekly messages regarding things like assignments and due dates.

### Curriculum

For reading, CVE has adopted Houghton Mifflin's Into Reading curriculum, new this year! Each student will be given their own copy of the textbook which is also their workbook. These books are called, "MyBook". In writing we will focus on narrative, informative, and argumentative essays; following the five paragraph model.

### Letter Grading:

Letter	Percent
A	90-100
B	80-89
C	70-79
D	60-69
F	0-59
