

Congratulations! You have been selected to recover some of your High School credits by taking an online class with Imagine Learning Edgenuity (Heritage).

Step 1: Click [HERE](#) and view this video (7.34 minutes) for Credit Recovery Course Navigation and expectations.

Step 2: Login to Imagine Learning Edgenuity at: learn.edgenuity.com/student

Or

Login using “Clever”. Clever is set up for each CPSD6 student and teacher to access a personalized portal with a single sign-on (SSO) to every learning application you use.

Clever is found on our website on any webpage labeled, **Students**. Click on the **Students** page and scroll down to the Clever badge. Click on it.

Add your school email address (google) and scroll down to “More apps”. Click on the Imagine Edgenuity Badge and you can simply login.

Step 3: Navigate the platform as instructed in the first video above.

Other helpful videos might be:

- Note Taking and Academic Success. *Video for students to learn how to successfully take notes.* Use [this code](#) to embed in an external link.
- Taking Notes from Audio or Online Materials. *Video for students on how to identify the key points from audio or online materials.* Use [this code](#) to embed in an external link.
