

MINUTEMAN SCHOOL PROFILE

Minuteman is an award-winning regional career and technical high school and continuing education institution that integrates robust academic and technical learning. As an accredited member of the New England Association of Schools & Colleges (NEASC), Minuteman challenges all students to aspire to their full potential, accelerate their learning, and achieve success in the 21st-century global community. Located in Lexington in a new state-of-the-art facility, Minuteman's member towns are Acton, Arlington, Bolton, Concord, Dover, Lancaster, Lexington, Needham, and Stow.

Academic classes and career major classes are delivered on a weekly rotating system (one week academic, one week career major).

Enrollment is approximately 700 students across nineteen career majors.

Curriculum Opportunities

Students at Minuteman gain a revolutionary competitive advantage through the development of skills in their career major and completing a rigorous academic program.

College preparatory courses in Math, Science, History, English, and World Languages. Honors courses are offered to students who successfully test to the appropriate level.

Several dual enrollment courses including Psychology, Physics, English Composition, Precalculus for Engineering & Science, and Early World Literature. AP Calculus AB and AP US History are also available.

In addition to a high school diploma, graduating seniors are eligible for industry credentials. In some career majors, hours may be applied toward licensing and apprenticeship program requirements.
