

## FREE SUICIDE PREVENTION TRAININGS FOR RURAL SCHOOLS AND COMMUNITIES

### 3 TRAININGS OFFERED:

**Be-A-Link school staff training: 2-3 hours**

**Ask-4-Help student training: 2 hours**

**Community training: 2 hours**

- We collaborate with each site to provide what is most helpful for your community.
- Each training can be scheduled at your convenience over a single day or multiple days.
- School staff training is open to all certified and non-certified staff members.
- Student training is for middle and high school students.
- We provide all Yellow Ribbon training materials, refreshments and follow-up support if helpful.
- School staff may earn training stipends (if outside contracted hours); additional stipends will be provided to specific school staff who assist with simple data collection and submission.
- Community trainings may include families, elders, civic and spiritual leaders, first responders, and other community members.

**TRAININGS BEGIN AT THE END OF AUGUST 2024 AND EXTEND THROUGH THE SCHOOL YEAR**

***The Yellow Ribbon Suicide Prevention Program was created by youth and caring adults to provide suicide awareness, education and tools in schools and communities around the country.***

***The mission of Communities In Schools of New Mexico is to surround students with a community of support, empowering them to stay in school and achieve in life.***
