10.6 Informal Level

Within ten (10) days of its known occurrence, the employee or Union will present the grievance to the administrator whose action is the subject of the grievance during non-instructional time with the objective of resolving the matter informally. If the grievance is not resolved through this informal process it may be committed to writing and submitted to the same administrative level within ten (10) days of the informal meeting.

10.7 Level One

The Administrator shall respond in writing to all parties involved within ten (10) days of the receipt of the written grievance.

10.8 Level Two

The Board shall conduct a grievance meeting within thirty (30) days. The Board shall render its decision, in writing, to the aggrieved employee and the Association within ten (10) days.

10.10 Level Four

If the grievance is not resolved at Level Three, the grievance may be submitted to arbitration by the Union. The parties shall apply to the American Arbitration Association (AAA), or by mutual agreement and select an arbitrator to hear the case under the rules and procedures of the AAA service.

10.12 Arbitrator's Authority

The arbitrator shall limit him/herself to interpretation and application of the terms of this agreement and issues of procedural and substantive arbitrability. The arbitrator shall be bound by and must comply with all of the terms of the Agreement. The costs for the services of the arbitrator shall be borne equally by the District and the Union. Any other expenses incurred shall be paid by the party incurring the same.

10.14 Failure to Meet Timelines

The grievance shall be considered resolved if one of the parties has not responded before the time period for appealing has passed. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits (unless extended by written mutual agreement) shall permit the aggrieved to proceed to the next level.

10.15 Confidentiality

Documents, communications or records concerning the processing of a grievance shall not be forwarded to any prospective employer of the grievant.

EVALUATIONS

The purpose of support staff evaluation is to improve their performance and provide a written record of their efficiency and/or areas of concern. The following process has been developed to guide the use of the Support Staff Evaluation Instrument.

Administration will designate the employee's immediate supervisor. No more than two immediate supervisors will be designated. If assignments are changed or changes in staffing require a new assignment, the supervisors will be designated in a timely manner. For the purpose of this document, the term *Immediate Supervisor(s)* is the individual who oversees and coordinates assignments of the employee. The immediate supervisor has no administrative/evaluative responsibilities except when the immediate supervisor is the administrator.

The immediate supervisor(s) provides guidance and instruction to accomplish job responsibilities. It is the responsibility of the immediate supervisor to provide feedback to the employee and assistance as needed. Unresolved concerns will be brought promptly to the attention of the administration. These concerns shall be addressed in a meeting involving all parties and will be held in a timely manner.

It is an administrator's responsibility to complete the evaluation process. The evaluation process and form is reviewed and all participants have an opportunity to offer information pertinent to the process. Prior to the completion of the evaluation, the administration will solicit feedback from any immediate supervisor(s) and assigned classroom teacher(s).

Evaluation Process

The criteria for the evaluation levels are applied to each single evaluation and are not to be used cumulatively. The following levels are used for observation and evaluation:

Level 1 – Paraprofessional employees, in year one and two of employment with the District, will be observed twice each year and evaluated once each year.

Level 2 – Paraprofessional employees, in years three through six consecutive years of service in the District, will be observed and evaluated once every two years (year 4 and year 6). Employees who receive Unsatisfactory in one or more standards will move to Focused Assistance.

Level 3 – Paraprofessional employees, in years seven and beyond in the District, will be observed and evaluated once every three years. Employees who receive an Unsatisfactory in one or more standards will move to Focused Assistance.

Focused Assistance – Only for paraprofessional employees who were previously on Level 2 or Level 3. Paraprofessional employee will be observed as frequently as determined by the administrator and evaluated once each year. Based on current levels of performance, the administration determines the need for increased supervision.

A plan of improvement will be mutually developed by the employee and immediate supervisor at any time during the school year when the immediate supervisor or administrator concludes the employee inconsistently meets expectations or does not meet expectations for any area.

Timeline

By the first student day of school, administration will designate the employee's immediate supervisor(s).

By October 15th (Levels 1, 2, and 3), an initial meeting will be held between the employee and the immediate supervisor(s). At this meeting, the roles and responsibilities of the employee are discussed and goals are set, reviewed and modified as needed. Goal(s) will be recorded using Appendix C-2, Sections I and II. Throughout the year, goals may be reviewed and modified as needed. If an employee assignment changes during the year, a new "initial meeting," as described in the previous paragraph, will be held.

By November 15th (Level 1), a 15-minute observation will have been conducted, and an Appendix C-3 Interim Feedback Form (IFF) will be provided by your evaluator.

By February 1st (Levels 2 and 3), a 15-minute observation will have been conducted, and an Appendix C-3 Interim Feedback Form (IFF) will be provided by your evaluator.

By March 15th, Appendix C-2, Section III: Evaluation of Progress Towards Goal(s) will be completed and returned to the assigned administrator.

Prior to April 15th, the administrator will seek feedback from the immediate supervisor(s) regarding the employee's performance. The administrator will not use feedback that has not been shared with the employee in a timely manner. By this time, administration must complete the second 15-minute observation for all Level 1 employees.

By April 15th, a written Support Staff Assessment Form will be completed and a conference will be held with the employee. Following the evaluation conference, the evaluation will be submitted to the Superintendent.

By May 15th, contracts for the following year will be offered to returning staff.

By May 31st, contracts will be returned to the Superintendent. Contracts not returned by this time will indicate a voluntary resignation.

Please Note: The employee will sign the evaluation indicating only that the report has been read and does not necessarily agree with its content. The employee may submit a written response to be included with the file copy of the evaluation.

A Support Staff Handbook and a Teacher Handbook shall be available to all employees electronically by the first student day of school. The Support Staff Handbook shall include a copy of the Support Staff Evaluation Process, Evaluation Tool and Job Descriptions. Employees shall sign that they have received these documents.

The following retiring District employees: administrators, custodians, secretaries, office managers, food service personnel and educational assistants, shall have their health and dental benefits continued with the following provisions:

Pursuant to the New Hampshire Retirement System policies, employees retiring from the Inter-Lakes School District must have a combination of years of service and age to equal a total of 70. To receive this benefit, employees must meet a minimum age requirement of 55 and a minimum years-of-service requirement to the Inter-Lakes School District of ten (10).

Employees must be employed by the District at the time of retirement, qualify for District contribution to the health plan and be actively enrolled in the health plan. Retiring employees may elect to pay the difference between a two-person plan and a family plan.

If retirement is due to a medical disability, the above age requirement may be disregarded as long as the employee has at least 10 years of service to the District.
