

The Junior Achievement curriculum consists of five-hour lessons taught by parents about financial literacy, work and career readiness, and entrepreneurship. Parent training takes place at CDS to review how to present the lessons. All materials are provided. After training, parents coordinate times with their homeroom teachers to deliver each one-hour lesson.

These lessons, which have been shown to positively impact the lives of young people, are designed to align with national and state social studies educational standards, ensuring a high-quality and comprehensive learning experience.
