CAREER AND TECHNICAL  
EDUCATION

# NEWSLETTER

Hello, Mineral County High School community,

We are excited to bring you the latest updates and opportunities from our Career and Technical Education (CTE) program. Read on to learn about upcoming events, new pathways, and student achievements.

## SkillsUSA Trip to Atlanta

Over the summer, eight of our students had the incredible opportunity to travel to Atlanta, Georgia, and participate in the National SkillsUSA competitions. They engaged in networking, observations, and dialogue with business and industry partners from renowned companies such as Mercedes, HAAS, and the U.S. Coast Guard. Additionally, they explored popular Atlanta destinations including The Georgia Aquarium, The High Art Museum, and a botanical garden. Our students returned home with unforgettable memories and a wealth of knowledge to share with our local chapter.

## Business and Industry Partners Wanted!

Are you a business or industry professional in the Hawthorne Area? We are actively seeking partners to collaborate with our CTE program. By working together, we can provide valuable work experiences for our students and help prepare them for the workforce after high school. If you are interested in training your future employees while they finish high school, please reach out to our CTE Coordinator, Staci Teeter, for further information and meeting times.

**AUGUST 17, 2024**

## **CTE Fall Showcase – November 13th, 2024**

Mark your calendars for our upcoming CTE Fall Showcase on November 13th. This event will feature student work from around the district, allowing you to see the talent and skills our students have developed. In addition, we will have a Serpent store pop-up where you can get your Serpent gear just in time for the basketball season. Don't forget to stop by the Serpent Cafe pop-up to grab a hot drink and fall goodies.

**Spring Food Truck Showcase 2024**

### **Next CTE Advisory Meeting – September 26th, 2024**

We invite all CTE students, parents, and business partners to join us for our next CTE Advisory meeting on September 26th, 2024, at 5 PM. The meeting will take place inside the Serpent Union. This is a valuable opportunity to stay updated on the latest developments in our CTE program and provide input for its continued success.

Thank you for your ongoing support and involvement in our Career and Technical Education program. Together, we are shaping the future of our students.

Best regards,

CTE Newsletter Team

### **New CTE Pathway – Cyber security**

We are thrilled to announce the addition of a new CTE pathway at MCHS - Cybersecurity! Starting this year, students can choose from four career pathways through our CTE program. Alongside Business and Marketing, Culinary Arts, and Building and Construction, students can now explore the exciting field of Cybersecurity. This new pathway will equip students with the skills and knowledge needed for a successful career in this rapidly growing industry.
