

Dear Harmony Parent/Guardian,

Harmony Public Schools is off to a fantastic start for the 2024-25 school year! It's wonderful to see all our students back in the classroom, engaged in learning. As we move forward, we want to emphasize the critical importance of strong attendance for every student. Each day a student is absent is a missed opportunity for learning, which can impact not only their own academic progress but also the learning environment for the entire class. Research shows that students with frequent absences are at greater risk of lower academic achievement, failure, and even dropping out of school.

To raise awareness about chronic absenteeism and provide valuable information and resources to our parents and students, Harmony Public Schools is launching an Attendance Awareness Campaign. Throughout September, in honor of National Attendance Awareness Month, we will be hosting a series of activities, including a poster contest, attendance culture days, and monthly student attendance raffles for those with perfect attendance. Details of these events will be shared through our campus social media accounts and weekly newsletters.

We're excited for the festivities to begin and encourage you to motivate your children to participate and attend school every day. Thank you for your continued support and commitment to your child's excellent attendance.
