IN KLEIN ISD, **EVERY** STUDENT
ENTERS WITH A **PROMISE** & EXITS WITH A **PURPOSE**

We rise to the challenge,
own our actions, always
work together & respect
self and others.

HOME OF THE TIGERS

Theiss Elementary is nestled in the heart of the Memorial Northwest community. Theiss serves a diverse population and has a long history of excellence. The teachers and staff are relationship-driven and strive to personalize the learning opportunities for each child so all students grow and achieve at least one year's growth each year. The culture at Theiss is centered around our core values of developing students who ROAR: rise to the challenge, own our action, always work together and respect self and others. Opportunities to develop skills outside the classroom are abundant. There's an activity for everyone!

Phone: (832) 484-5900

Principal: Ms. Jessica Taylor

Mascot: Tigers

Welcome to Theiss Elementary!

Ms. Jessica Taylor
Principal

jtaylor1@kleinisd.net

It is both a privilege and an honor that I serve this community as the campus principal. I have been a proud educator in Klein ISD for over 15 years and have most recently served as an assistant principal at Metzler Elementary, an internationally named Visible Learning campus and Model PLC school. These experiences throughout my career have deepened my commitment to equipping students with the necessary skills they will need in order to be successful in the future and lead their own learning. Students are the center of my work, and I strive to know each one by name, strength and need to ensure that they receive the support needed to reach their goals. Learning is a journey that requires a learner to take risks, set goals and persist through challenges in order to achieve a deeper level of understanding. As a values-driven leader, I strive to build strong relationships with others and seek to partner with our families to create a supportive educational environment for all of our students.

After attending college at Baylor University for my Bachelor's degree, I went on to receive my Master's degree from University of Houston. I am married with two children. I am an avid reader with too many favorites to list. Outside of school I enjoy staying active by running, swimming and working in the yard. I look forward to the adventure this year will bring!

Jessica Taylor

HOW TO GET INVOLVED

Join our Theiss PTO Facebook Group to find ways to get involved!

Tigers are saying...

"Theiss is a wonderful school. All the teachers are fantastic in how they help their students learn and grow. The staff and administration are very supportive of their students. They really care about how your child progresses."

PARENT

"Our love for every student runs deep. Teachers are committed to the success of every child on our campus, and that is evident through our collaboration across teams."

TEACHER

"My teachers really care about me, and I love coming to school every day."

STUDENT

PROGRAM HIGHLIGHT

Theiss Elementary teachers focus on high-quality instruction through the use of personalized pathways, peer collaboration, and extension lessons when academic content has been mastered. We focus on knowing students by name, strength, and need and tailor learning opportunities to meet each individual student where they are in their learning journey.

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
