

Thank you for your service as a volunteer and for partnering with us to deliver an educational experience that prepares our students to succeed in the 21st century.

Education Code 49406 requires school volunteers, with certain authorized exceptions, to submit to a tuberculosis risk assessment or intradermal (skin) test.

Enclosed is a list of free or low-cost options available to volunteers who are required to obtain a tuberculosis risk assessment or intradermal (skin) test. Volunteers are also welcome to use their own private medical provider.

Le agradecemos su servicio como voluntario para brindar una experiencia educativa que prepara a nuestros estudiantes para el siglo 21.

El código de Educación 49406 requiere que voluntarios en las escuelas, con ciertas excepciones autorizadas, se sometan a una evaluación de tuberculosis.

Se adjunta una lista de opciones gratuitas o de bajos costos disponibles para los voluntarios a quienes se les requiere obtener una evaluación de riesgo de la tuberculosis o una prueba intradérmica. Los voluntarios también pueden usar su propio proveedor médico.
