## DAILY SCHEDULE

*School begins at 8:10 am and dismisses at 2:40 pm.*

### OFFICE TELEPHONE

The telephone in the front office is for student use ONLY to call to stay after school for homework help, after school activities or to let parents know they are going to Zanewood Community Center. The phone in the office has a time limit of 3 minutes so that all students may use the phone in a timely manner and not miss their bus.

### AFTER SCHOOL HOURS

Students may **NOT** be in the building after 2:50 pm unless supervised by a teacher or coach. Students who display inappropriate behavior may be barred from staying after school.

### BEFORE SCHOOL HOURS

Students may **NOT** be in the building before 7:50 am unless they are with a teacher.

### ELECTRONIC LUNCH / BREAKFAST ACCOUNTS

Every student is assigned a six digit personal account identification number and corresponding barcode. Families may deposit as much as they want into their students' account. You simply pick up your lunch, approach the cashier, enter your identification number on the keypad and the cost of your lunch is automatically deducted from your account.

Deposits by check must be made in the kitchen before the start of the school day.

### LATE BUSES

Late buses are available for students participating in a school activity, working with a teacher, assigned detention or at Zanewood Recreation Center. Students suspended from their regular bus for behavior consequences **MAY NOT** ride the late bus. Students who leave school property **MAY NOT** return to ride the late bus (with the

exception of students returning from Zanewood Recreation Center).

### MEDIA CENTER HOURS AND INFORMATION

The Media Center is open daily from 8:00 am – 2:50 pm. Students may checkout a maximum of three books. Students are responsible for checked out media materials. Materials need to be returned on time. Students will be charged for damaged or lost items.

### PARENT/GUARDIAN PICKING UP A STUDENT

Student safety is a priority. If your student has an appointment during the school day, please send a note with date, time and your signature, then your student will be ready for you to pick up when you arrive at school. To ensure student safety, parents are asked to present photo identification when picking up a student and signing him/her out of school. An adult not listed on the student's record will not be allowed to pick up the student without parental permission.

### TARDY

Students who arrive late to school must report to attendance for an admit slip. If students do not have an approved excuse, the tardy will be recorded as unexcused. Unexcused tardies can result in consequences and support. For an ABSENCE / TARDY parents should call (763) 585-7250 the morning of the absence/tardy, otherwise, it will be marked as a truancy.

### VISITORS

No student visitors will be allowed to accompany students. To ensure student safety and to minimize classroom disruption, a legal parent or guardian is required to give the school 24 hours notice and present a picture ID to visit a classroom or student.

# ELECTRONICS POLICY

## **CHROMEBOOKS**

Chromebooks provided to students are DISTRICT OWNED DEVICES and are for EDUCATIONAL PURPOSES ONLY. Students are expected to bring their district issued device to school and back home every day to utilize in cooperation with their teachers to enhance their educational experience. It is the responsibility of each teacher to establish procedures and expectations for use of the digital learning devices in their classroom, and it is the responsibility of each student to follow those procedures and expectations. Students are advised to secure their digital learning and electronic devices at all times as we are not able to provide staff time to investigate lost or stolen items.

### **Reminders:**

- Bring Chromebook each day to and from school
- Chromebook should be fully charged at the start of each day
- Only authorized Apps should be downloaded onto the device
- Social Media sites are not allowed to be accessed using ISD 279 devices and networks

Any photographic or movie image taken by students or adults on ISD 279 property without the consent of the individual(s) will result in disciplinary action. Any photographic or movie image taken of students or staff members on ISD 279 property cannot be published or posted on a personal public forum (Twitter, Facebook, YouTube, Instagram, SnapChat, etc.) without the written consent of each individual. Any violation will result in disciplinary action.

## **CELL PHONES AND OTHER ELECTRONIC DEVICES**

At North View Middle School, we believe that learning is the first priority. We also believe that in order for students to learn they must stay focused on their learning. We know that cell phones and other electronic devices can be distracting items and have the ability to take individual students and their peers attention away from their learning.

**North View Middle School's expectation is that all electronic devices, including cell phones, mp3/4 players, headphones, etc. will be turned off and put away from 7:50 am until 2:40 pm.**

- **First offense:** The item will be held until the end of the school day. Students may pick up their electronic device from the office at 2:40 p.m. Students need to sign for the return of the device.
- **Third offense:** Parent/Guardian will be notified of the ongoing instances of phone/electronics use at school. Future steps will be outlined at this time.
- **Fifth offense:** The item will be returned only to a parent/guardian. A personalized plan, which may include turning in the phone /electronic device each morning, will be formulated in coordination with the parent/guardian at this time.

A parent/guardian/other adult may pick up the confiscated item with a required meeting and an expectation that the device stays at home or with an agreed arrangement with administration. Students will have access to school phones to contact parents/guardians during the school day in case of an emergency.

Student personal electronic devices are subject to search upon reasonable suspicion that the device has been used in a manner that violates the law or District Policy 505.

# SCHOOL SERVICES

## FAMILY/COMMUNITY OUTREACH INITIATIVES

Department of Educational Equity staff provide student support, family outreach and education, and collaboration with district and community resources to help all students and families access our schools and services. If you have questions, please call the Office of the Director of Educational Equity at 763-391-7248.

## HEALTH SERVICE

District 279 employs a registered nurse in each school building. **No student may leave school because of illness without permission from the school nurse.** In case of an emergency, the school will make every effort to contact the parent/guardian. If the appropriate contacts can not be made, the school will proceed with action deemed necessary for the welfare of the child.

### Emergency Forms

Students under 18 years of age will not be released from school if ill or injured unless authorized by a legal parent/guardian or another adult designated by a parent/guardian. Please update emergency information annually and as changes occur.

### Hygiene Practices

Employees and students are instructed to wash their hands for at least 20 seconds with soap and water frequently throughout the day, but especially at the beginning and end of the day, prior to any mealtimes and after using the restroom. All employees, students, visitors, community members or contractors are required to wash or sanitize their hands prior to or immediately upon entering the facility. Hand-sanitizer dispensers (that use sanitizers of greater than 60% alcohol) are at entrances and locations in the school so they can be used for hand hygiene in place of soap and water, as long as hands are not visibly soiled.

### Immunizations

According to MN state law, all students must be in compliance with state immunization requirements, be in the process of receiving the immunization series, or meet exemption criteria. Student immunization data is shared with ImmuLink, the Hennepin County immunization registry. This secure computerized registry makes immunization data available to schools and physicians. Parents may opt not to participate in the registry by calling 612-676-5100 or their school nurse for more information.

### Medications

All medications, both prescription and over-the-counter, will be kept and administered in the school nurse's office. A request for medication administration is required annually and shall include parent and physician signatures. Medication must be in the original prescription or manufacturers' container. Students may carry and self-administer emergency medication (i.e. asthma inhalers and epi-pens) with specific written permission from the parent, physician, and school nurse.

## SCHOOL RESOURCE OFFICER

- ♦ A School Resource Officer has been assigned to the school to accomplish the following objectives:
  - **To establish positive attitudes of understanding, respect, and trust of police officers and the system of law enforcement.**
  - **To assist students and their parents/guardians, along with school staff members, with problems and questions about the criminal justice system.**
  - **To help young people avoid getting into trouble with the law.**

Parents/guardians and students should feel free to contact the liaison officer concerning school or community problems.

## STUDENT ACCIDENT INSURANCE

1. The District will provide the opportunity for families/students to purchase student accident insurance.
2. Insurance enrollment materials will be made available to students in each building.
3. The student/family will pay premiums or other charges directly to the insurance company

5. The District or its employees will not become involved in the collecting of insurance fees, filing claims, or payment of benefits.

## STUDENT DRESS CODE

If your child is absent from school, please call the school with the reason for the absence. The telephone call eliminates the need to send a note with your student when he/she returns to school. We would appreciate having the call between the hours of 7:30 and 9:30 am.

It is the parent's responsibility to furnish the school within three school days the reason for their child's absence, otherwise the absence will be considered truant.

**\*\*The Hennepin County Attorney's Office identifies reasons which a court would not find as "lawful absences," as including missed bus, no clean clothes, staying at home to baby-sit younger siblings, oversleeping, or chronic medical excuses without a doctor's statement.\*\***

## APPOINTMENTS

A parent/guardian must send a note excusing their student from school for appointments. The student must bring the note to the office before school to get a blue pass. ## HONOR ROLL

An honor roll will be published each trimester giving recognition to those students with outstanding scholastic achievement. The honor roll will be computed as follows:

1. Each letter grade will be given the following numerical value:

**B+ = 3.33 C+ = 2.33 D+ = 1.33**  
**A = 4.0 B = 3.0 C = 2.00 D = 1.00 F = 0**  
**A- = 3.67 B- = 2.67 C- = 1.67 D- = 0.67**

2. The numerical values will be added together, then divided by the total number of the grades on the report card for the trimester.

3. If the grade average determined is 3.66 or greater, the student will be on the "A" Honor Roll. If the grade average determined is 2.66 or greater, but less than 3.66 the student will be on the "B" Honor Roll.

## THE LAW

The state of Minnesota requires that all children between the ages of six and eighteen attend school every day that school is in session.

## MID-TRIMESTER REPORTS

Student progress is assessed approximately mid-way through each trimester. Mid-trimester reports are sent home with the student. It is possible that a student may earn a satisfactory report at mid-trimester time, but an unsatisfactory grade at the end of the trimester if the quality of the work declines.

## ONLINE GRADE ACCESS

Students will be expected to periodically review their academic progress via SchoolView accessible from any Internet-connected computer. It is the responsibility of the student to maintain the security of his or her user name and password information. Attempts to tamper with other students' accounts will result in discipline consequences.

## PARENT/GUARDIAN ABSENCE

If parent/guardian will be away from home and the student will be under the supervision of another person, parents/guardians are asked to call or send a note to the office giving the dates they will be away, the name of the person with whom the student will be staying, along with telephone numbers where this person may be reached during the school day.

# ACADEMIC SERVICES continued...

## **REPORT CARDS**

Report cards are sent home with the students approximately two weeks after the first two trimesters. Report cards will be mailed home after the third trimester.

## **SECTION 504 SERVICES**

Section 504 is a provision of the Federal Rehabilitation Act that ensures access to a free and appropriate public education for individuals with a qualifying disability by prohibiting discrimination based on a disability.

A student may qualify for a 504 plan when the student has a mental or physical condition for which reasonable accommodations are necessary for the student to make progress in school.

Questions about Section 504 services should be directed to the school counselor or Student Services Secretary at 763-391-7073.

## **SPECIAL EDUCATION**

Special Education programs and related services are provided to eligible students with disabilities at all grade levels. Special Education services are based on the individual needs of students with handicaps. Parents who suspect that their child may have a disability should contact a teacher, counselor, administrator or Special Education Building Coordinator. Each middle school has a Special Education Building Coordinator (SEBC) who coordinates the services in the Special Education Department. Counselors can provide additional information.

## **STUDENT/TEACHER CONCERNS**

If a parent/guardian and student have a concern regarding a teacher or coach, it is expected the parent/guardian will contact the teacher or coach and share the concern with them. This will give them the opportunity to respond to your concern and resolve the conflict. If concerns remain after contacting the teacher or coach, contact your child's counselor or a building administrator.

## **STANDARDS-BASED GRADING**

The School Board recognizes that in order to achieve its mission, communication of student achievement and progress must be meaningful, accurate, consistent and supportive of learning. It is the School Board's position that a standards based grading system designed to accurately report student achievement of academic standards by providing consistency in grading practices across schools and classrooms, and aligning grading and reporting with standards-based instruction and graduation requirements supports student learning and provides the most meaningful, accurate and consistent communication of a student's progress.

General Statement of Policy: Grading and Reporting Standards of Practice:

- Academic achievement will be separated from all other non-academic behaviors when teachers assign student grades.

## **BICYCLES**

We recommend that students NOT ride expensive bicycles to school. Students are expected to lock bicycles in the racks provided. The school is not responsible for the safety of bikes.

## **CANINE SEARCHES**

As one of many tools we use to keep our school safe, the schools are working in conjunction with local law enforcement to have trained dogs randomly search student lockers and the school building during and after school hours. If a dog identifies a locker as having a prohibited item in it, the locker, its owner and his or her possessions will be searched.

## **CLOTHING**

Students are expected to be clean, neat, and dressed appropriately for the school day. Articles of clothing or words/symbols on personal property that are inappropriate or that cause disruption are not allowed.

In support of ISD 279's commitment to tobacco-free, drug-free, and violence-free schools, words or symbols that advertise products or actions which are illegal or harmful for students are not permitted. Examples of inappropriate clothing include, but are not limited to:

- 1) sexually obscene and/or profane language, slogans, emblems or pictures;
- 2) gang symbols and/or emblems, or clothing worn in a manner to identify gang membership;
- 3) sexually provocative or immodest clothing, words, or symbols;
- 4) potentially hazardous items such as chains, pins, studs, and rings.

Outerwear coats, hats, and other headwear may not be worn during the school day because of health and safety reasons. Sweaters and sweatshirts are recommended for use during the school day by students who may feel chilled.

## **COMMUNITY-SCHOOL FUNCTIONS**

Community Park and Recreation Departments handle many functions within the middle school building after the normal school day such as swimming, dances, co-recs, etc. If you have a question, please do not call the middle schools. For information call the Parks and Recreation Departments of Maple Grove, (763) 494-6500, Brooklyn Center, (763) 569-3400, or Brooklyn Park, (763) 493-8355.

Osseo Area Schools is committed to maintaining a safe and healthful environment in the school district in order to promote the physical, social, and psychological well-being of its students. To that end, the school district will seek a criminal history background check on all individuals who are offered employment in a school and on all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to a school, regardless of whether any compensation is paid. The school district may also decide to seek a criminal history background check on any individual who seeks to enter a school or its grounds for the purpose of serving as a school volunteer or working as an independent contractor or student employee.

## **LOCKERS**

Each student will be assigned a hall locker. Students are urged NOT to bring expensive items to school; personal items are not covered by school insurance. Students should keep their lock combinations to themselves. Students are to use only their assigned lockers and are responsible for the contents as well as keeping it clean inside and out.

School lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school authorities for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practical after the search of a student's personal possessions, the school authorities must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials. (M.S. 121A.72 Subd.1 and Policy 502).

## **LOST AND FOUND/THEFT**

Lost and found will be located in the Admin. office. Students should report both lost and found items immediately. Please complete a lost and found/theft report in the Admin. office.

## **STUDENT ACCEPTABLE USE POLICY SUMMARY**

This document summarizes the expectations for students using Osseo Area Schools technology and digital networks. This is a summary of and not a full replacement for the entire board policy 441. The complete policy can be found on the District website.

## **GENERAL PURPOSE**

Digital resources are provided for students to conduct research, complete assignments, and communicate with others. Students are responsible for good behavior when using the District's digital resources just as they are in a classroom or a school hallway. Access is a privilege not a right and entails responsibility. As such, general school rules for behavior and communications apply and users must comply with district standards. District staff may review files, system use and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect that digital files created and/ or stored on district digital resources will be private.

## **INTERNET/EMAIL ACCESS**

Access to the internet and email will enable students to digitally communicate and find information from libraries, databases, and other web resources to enhance their learning. Osseo Area Schools utilizes a variety of tools to protect

# GENERAL INFORMATION

students from harmful content including filtering software. While our staff is dedicated to keeping students safe, no tool is capable of 100% protection. Students and staff are expected to report any inappropriate content immediately, so technology staff and administrators can address the issue. We believe that the benefits to students from access to the internet and email, in the form of information resources and opportunities for collaboration, exceed any disadvantages.

## **PARENT EXPECTATIONS**

Outside of school, parents bear responsibility for the same guidance of digital resource use as they exercise with electronic resources such as television, telephones, radio, movies, and other digital media. Parents are responsible for monitoring their student's use of the school district resources and of the internet if the student is using them from home or a remote location.

## **POLICY VIOLATION**

Depending on the nature and degree of the violation and the number of previous violations, unacceptable use of the School District's digital resources may result in one or more of the following consequences: suspension or cancellation of use or access privileges; payments for damages and repairs; discipline under other applicable school district policies, including suspension, expulsion, or exclusion; or civil or criminal liability under other applicable laws.

- Unacceptable use of digital resource
- Unacceptable use of Osseo Area Schools digital resources include, but is not limited to the list outlined below.
- Sending, storing or displaying offensive messages or pictures
- Using obscene language
- Giving personal information, such as complete name, phone number, address or identifiable photo, without permission from teacher and parent or guardian
- Cyberbullying, hate mail, harassing, insulting or attacking others, discriminatory jokes and remarks
- Damaging or modifying computers, computer systems or computer networks
- Downloading, installing and using games, audio files, video files or other applications including shareware or freeware without teacher permission
- Violating copyright laws
- Sharing or using others' logins or passwords or other confidential information
- Trespassing in others' digital folders, work, or files
- Posting information, sent or stored, online that could endanger others
- Using Osseo Area Schools digital resources for non academic purposes, commercial purposes, financial gain, or fraud.

## **EXPECTATIONS FOR THE USE OF DIGITAL RESOURCES**

Osseo Area Schools has outlined the expectations below guiding the practice

with the District's digital resources.

Users are expected to keep passwords private and secure. Passwords may be required to change on a regular basis.

Students no longer enrolled in Osseo Area Schools will have account access removed upon leaving the District.

Student's should be aware that files and communications created or stored with Osseo Area Schools digital resources are not private and may be monitored by authorized staff.

## **MINNESOTA DEPARTMENT OF EDUCATION**

Parents have the right to request information regarding the professional qualification of the student's classroom teachers. You can check a teacher's professional qualifications on the Minnesota Department of Education website: [www.education.state.mn.us/MDE/Teacher\\_Support](http://www.education.state.mn.us/MDE/Teacher_Support)

## **NOTICE OF USE OF HAND HELD METAL DETECTORS**

To combat school violence and the potential presence of weapons in our schools, the District may utilize handheld wand metal detectors to detect firearms, knives, and other weapons. This policy is applicable in all situations in which students are subject to search per district policy 502 (SEARCH OF STUDENT LOCKERS, DESKS, PERSONAL POSSESSIONS AND STUDENT'S PERSON).

In accordance with District Policy and Minnesota statute, no student is permitted to possess, store or keep a dangerous weapon or other weapons on school property.

When a school administrator has reasonable suspicion to believe that a weapon or other items in violation of law or school rules are in the possession of an identified student, the administration is authorized to use a mobile metal detector to search the student.

In addition, if the student is on a safety plan following a District behavior threat assessment, the student's safety plan may include weapons searches to include the use of a handheld wand metal detector.

Possession of a firearm, knife or other dangerous object shall subject students to disciplinary proceedings, behavior threat assessment and/or arrest.

Refusal to submit to the metal detection screening may result in an administrative dismissal, a suspension or other disciplinary action.

## **OUTSIDE FOOD & BEVERAGES**

For the health and safety of all students and adults in the building, outside food and beverages are not to be brought into the classrooms without teacher or administrator prior approval. In addition, no student will be permitted to have food or drink delivered to them by parents/guardians, or friends.

## **PHONE MESSAGES FOR STUDENTS**

Please do not call the school and ask to have messages delivered to your child. We ask parents/guardians to be considerate of the fact that we have 700+ students and cannot accommodate relaying non-emergency messages. However, if you have an emergency, press "0" from the main phone menu, and the receptionist will assist you.

# GENERAL INFORMATION continued...

## **PHYSICAL EDUCATION EXCUSE POLICY**

### **Types of Excuses:**

**EXCUSES FOR 1 TO 3 DAYS** - Minor injuries and ailments require a written note from parent/guardian. These notes ARE NOT taken to the health specialist, but are given to your physical education instructor at the **BEGINNING OF YOUR CLASS**.

**EXCUSES FOR MORE THAN 3 DAYS** - You must obtain a written excuse from your doctor and have it signed by the school health specialist before giving it to your physical education instructor. Excuses of this kind will require an alternative project or assignment.

If there is a question about the validity of the note or about the number of days excused, the instructor may send you to the health specialist for verification with parent/guardian.

## **PHYSICAL EDUCATION UNIFORMS**

Physical Education teachers will share information with their students regarding the type of clothing needed for physical education and swimming.

## **PLEDGE OF ALLEGIANCE**

Anyone who does not wish to participate in reciting the Pledge of Allegiance for any personal reasons may elect not to do so. Students must respect another person's right to make that choice.

## **SALES IN SCHOOL**

No individual student or organization, public or private, charitable or otherwise, may use the school to sell literature or products for a profit. The only exception to this rule is the sale of items by the school's organizations to raise funds specifically for the organization.

## **SCHOOL CLOSING ANNOUNCEMENTS**

The decision to close school is made prior to the time the first bus leaves for senior high routes (6:00-6:30 a.m.) School closing announcements are made on WCCO AM 830; KSTP Channel 5, Fox Channel 9, KARE TV Channel 11, and Northwest Community TV - Cable 12. You may also find this information on the district website.

## **SEARCHES**

For reasons of health, safety, or suspected criminal activity, students may be asked to empty pockets, purses/bags, and/or remove shoes and socks.

## **SENIOR HIGH ATHLETIC EVENTS**

All senior high games played are under auspices of the Northwest Suburban Conference. The middle schools have no jurisdiction nor will we chaperone your children. The senior high school requests that elementary and middle school students be supervised by parents while enjoying the game. Students exhibiting inappropriate behavior may be asked to leave.

## **SIGNS, POSTERS, LITERATURE**

Any sign or poster that is to be displayed or literature to be distributed in the school building or on school grounds requires the prior approval of the administration. ## **SKATEBOARDS/ROLLERBLADES**

Skateboards/rollerblades may not be used in the building or on school grounds.

Students WILL NOT BE CALLED FROM CLASS TO ANSWER THE TELEPHONE EXCEPT IN AN EMERGENCY. A courtesy phone is available for student use.

## **TRESPASSING**

Presence at any school location without permission from the staff of that school (students are not to go into other district buildings without permission from the staff of that building) is trespassing. Admitting others through a locked or secured door without permission of school personnel is permitting trespassing. School administration and/or police will respond to incidents of trespassing.

# POLICIES & PROCEDURES

## DISTRICT POLICIES

The Board of Education decides the Policies or “laws” by which the district is governed. The Policies, Procedures, and guidelines are available to parents and students upon request in the school office or District Web site. Policies of particular interest to the middle school age include; Attendance No. 503; Student Records No. 515, Student Discipline No. 506; Bullying No. 514, Wellness No. 533; Student Dress No. 504; Chemical Use/Abuse No. 541; Transportation of Students No. 707; Harassment and Violence No. 514 and 102; Student Lockers No. 502; Expulsion No. 551; Student use of Network/Internet Resources No. 524.

### Gender Inclusion - Policy 508

This policy is intended to ensure student access to school district programming, activities and facilities for each student regardless of their sexual orientation, gender identity, gender expression or gender non-conformity. All students of the school district, including transgender and gender diverse students, deserve respectful and inclusive learning environments that value students’ gender identity and gender expression. The school district strives to provide programming and facilities where all students feel safe and supported. (See [School Board Policy 508](#) for more information).

## CHILD ABUSE POLICY

In accordance with Minnesota State Law it is the policy of District 279 to protect children by requiring the reporting of suspected physical abuse, sexual abuse, or conditions of neglect involving minor children whether occurring in the home, school, or community.

### Minnesota Statute Section 626.556, Subd. 3

*“A professional or his delegate, who is engaged in the practice of education, who has knowledge or reasonable cause to believe a child is being neglected or physically or sexually abused, shall immediately report the information to the local welfare agency, police department or the county sheriff.”*

## EQUAL OPPORTUNITY POLICY

ISD 279, in compliance with current state and federal statutes and regulations, and in recognition of its obligation to provide equal opportunity for education and employment for all persons within its jurisdiction, affirms that it will not discriminate on the basis of race, color, creed, religion, national origin, sex, age, marital or parental status, status with regard to public assistance or handicap.

If you have any questions or concerns, contact the Human Resources Department, 11200 93rd Avenue North, Maple Grove, Minnesota 55369, (763) 391-7007.

## BULLYING PROHIBITION

The purpose of this policy is to assist the school district in its goal of preventing and responding to acts of bullying, intimidation, violence, and other similar disruptive behavior. A safe and civil environment is needed for students to learn and attain high academic standards and to ensure a healthy school climate. Bullying, like other violent or disruptive behavior, is conduct that interferes with students’ ability to learn and teachers’ ability to educate students in a safe environment. It is the school district’s intent to prevent bullying and to take action to investigate, respond, remediate, and discipline those acts of bullying which have not been successfully prevented. In compliance with MN Statue 121A.0695 – Bullying Prohibition Policy, the district prohibits any act of bullying by any individual student or group of students.

It will be a violation for any student, employee, or agent of the district to bully a student, employee, or agent of the district through conduct or communication in person or through **misuse of technology (cyber-bullying)** of a bullying/intimidating nature as defined by Procedure 514 – Bullying Prohibition. It will also be a violation for any student, employee, or agent of the district to engage in bullying conduct at any time or place that interferes with or obstructs the mission or operations of the school district by affecting the safety or welfare of the student, other students, or employees. This policy applies not only to students who directly engage in an act of bullying, but also to students who, by their indirect behavior, condone or support another student’s act of bullying.

## TRANSPORTATION POLICY NO. 707

**The safety and comfort of all students is of primary importance.**

**Transportation by school bus is a privilege, not a right. Bus transportation can be revoked for unsafe behavior on a bus.**

## STUDENT RIDERSHIP GUIDELINES

1. treat people and property with respect;
2. take a seat promptly and remain seated while on the bus;
3. do not eat and drink on the bus;
4. keep aisles clear of legs, instruments or other objects;
5. avoid excessive noise;
6. do not throw objects;
7. do not tamper with or damage safety or bus equipment;
8. follow instructions of the driver;
9. keep all objects and body parts inside the bus;
10. behave in accordance with district policies.
11. exhibit safe behavior at all times,

Any student who jeopardizes the safety and comfort of other bus students can lose the privilege of school bus transportation.

Building administration may set up a conference with the student or parents. Parents may be notified by phone, in person, or in writing. A pattern of minor infractions or a single major infraction of the rules will result in suspension of bus-riding privileges. Other school consequences may also apply. It is essential to enforce the rules to ensure your child’s safety and comfort.

Pupils are not allowed to make irregular changes in pickup or delivery stops such as to go home on the bus with a friend or for work, club, party, or social events. Questions regarding this policy should be directed to the Transportation Department at (763) 391-7044 in advance. School building officials can not give permission to change buses.

Musical instruments are permitted on the bus as long as the students can hold them on their laps. If the instrument is so large that it can’t be kept by the student, other provisions must be made to transport it. Skis, skateboards, breakable glass objects, unprotected skates or rollerblades, fishing poles, and animals/pets are not allowed.

**Parents or guardians are responsible for reinforcing safe bus riding behavior with their children. Students may be videotaped on buses to maximize safety.**

# HEALTH & SAFETY

## **ACCESSIBILITY**

The Americans with Disabilities Act (ADA) requires that we make our programs and services accessible to individuals with qualifying disabilities. A thorough evaluation was conducted for compliance with accessibility codes and guidelines and a transition plan was developed to improve accessibility. If you need auxiliary aides or services in order to participate in or attend a district activity, call your local school or the school district at least seventy two (72) hours in advance (two week notice preferred).

## **ASBESTOS**

The asbestos Hazard Emergency Response Act (AHERA) requires that each school district notify parents and employees annually regarding asbestos-related activities. In the fall of 1988, all of our school buildings were inspected for asbestos-containing materials by accredited personnel. Since that time, we have conducted periodic surveillance checks every six months and re-inspected our buildings every three years as required. This is done to ensure that the asbestos is properly maintained. Except for floor tile, most of the asbestos in our district is limited to non-public areas, such as mechanical rooms and above ceilings. When properly maintained, asbestos does not present a hazard. District 279 has limited its asbestos removal to areas where renovation or maintenance activities are planned. Management plans are on file and available for review in each building with asbestos-containing materials. Questions regarding this notice should be directed to the district's Health & Safety Coordinator at 763-391-7191.

## **BUILDING ACCESS AND SECURITY**

For the safety of our students and staff, all exterior doors will remain locked during the school day, except for the main entrance. Visitors must sign in at the main office. Children will only be released to their parents or individuals authorized on the student's emergency card/screen. Proof of identification will be required.

According to Minnesota Statute 609.605, subdivision 4, "It is a misdemeanor for a person to enter or be found in a public or non-public elementary, middle, or secondary school building unless the person –

- (1) is an enrolled student in, a parent or guardian of an enrolled student in, or an employee of the school or school district;
- (2) has permission or an invitation from a school official to be in the building;
- (3) is attending a school event, class, or meeting to which the person, the public, or a student's family is invited; or
- (4) has reported the person's presence in the school building in the manner required for visitors to the school."

It is also a misdemeanor for a person to enter or be found on school property within one year after being told by the school principal or the principal's designee to leave the property and not to return, unless the principal or the principal's designee has given the person permission return to the property.

## **CHEMICAL USE/POSSESSION**

ISD 279 will not allow the sale/selling, distribution and possession of chemicals by students as it jeopardizes personal safety and interferes with the learning process.

No student, regardless of age, may possess, use, sell, distribute, and/or exchange illegal chemical substances, paraphernalia or other mood-altering chemicals which can hinder the student's ability to learn or participate, and/or could cause damage to the student's health. This prohibition is effective in school buildings, vehicles, and school contracted vehicles, on school property, and at school activities. "Use" is defined as drinking, sniffing, smoking, swallowing, chewing, injecting, or otherwise absorbing into the body such illegal or mood-altering substances. Look-alikes, example - Near Beer, are not permitted on school property or at school events. (See Policy #506 or Policy #541.)

Students apprehended using, possessing, selling, distributing and/or exchanging chemical substances will be subject to Policy 506 - Student Discipline, and treated according to existing school rules, including notification of law enforcement agencies and the application of school suspension and/or expulsion procedures.

## **FOOD AND BEVERAGE ITEMS**

State Health Department guidelines do not allow students to share home baked/prepared food items or beverages with other students at school. Generally, food items and beverages that are pre-packaged and purchased at a store or bakery are acceptable for sharing at school. Please be aware that some individuals may have food allergies. Beverages, food, and candy are allowed in the cafeteria only. Food from outside vendors will not be allowed during the lunch day.

## **HALLS**

Injury can result when students run, push, shove, play fight, horse play, or trip other students in the halls or on the steps. Appropriate behavior is expected while students are in the hallways at all times. It is important that students walk slowly and follow the traffic patterns of the halls, as well as follow the stairwell directional pattern. Keep hands, feet, and objects to yourself. Students must have a pass while in the halls during class.

## HEALTH & SAFETY continued...

### **INDOOR AIR QUALITY**

The district has established an Indoor Air Quality (IAQ) Management Plan that includes procedures for maintaining good air quality in our buildings. The plan includes forms for reporting concerns that may be related to air quality. Building staff will conduct an initial investigation. If the problem remains unresolved, the district Health & Safety Department will follow up and perform testing as needed. Questions should be directed to the principal or the district's Health & Safety Coordinator at 763-391-7191.

Because of potential health implications for our students with allergies and asthma, animals are not allowed in school without permission from the principal. We need to make sure that no students in the affected area will be negatively impacted by the animals first. Certified therapy dogs will be permitted no more than three days per week.

### **LATEX-SAFE SCHOOLS**

To safeguard the health of students and staff having latex allergies, the District has taken steps to minimize exposure to natural rubber latex. No latex balloons are allowed, except when used for curriculum purposes with prior approval from the principal. Students with latex allergies should notify the Health Services Specialist at their school so that accommodations can be made.

### **PESTICIDE APPLICATION NOTICE**

A Minnesota state law went into effect in year 2000 that requires schools to inform parents and guardians if they apply certain pesticides on school property.

Specifically, this law requires schools that apply these pesticides to maintain an estimated schedule of pesticide applications and to make the schedule available to parents/guardians at each school office. Parents/guardians may also receive, upon request, prior notice for pesticide applications made on days other than those specified in the estimated schedule.

State law also requires that parents/guardians be told the long-term health effects, on children from the application of such pesticides or the class of chemicals to which they belong, that may not be fully understood.

If you have any questions regarding pesticide applications contact your child's school or please stop by the school office.

### **SCHOOL SAFETY DRILLS**

Each middle school will conduct a minimum of five lockdown drills, five fire drills, two severe weather, one shelter in place and one reverse evacuation safety drill per school year.

### **TORNADOES**

In the event of a tornado warning while school is in session, all students will stay at the school until the all-clear is given.

### **TIP LINE**

The district has established a tip line for students and parents to report bullying, weapons, drugs and violence. Callers can leave messages anonymously. If you have information regarding something that may happen or an incident that has already occurred, please call 763-391-8660 to report it. You may also complete an anonymous Tip Line form on the district website. All messages will be forwarded to the principal or administrator.

### **TOBACCO FREE SCHOOLS**

ISD 279 is a tobacco-free environment. School Board Policy 921 prohibits the use of tobacco in all school buildings, on school grounds, and in vehicles on school grounds, 24 hours a day, seven days a week.

### **WELLNESS**

School Board Policy 533 - Wellness is a response to the growing problems of childhood obesity and the health problems associated with poor nutrition and a lack of physical activity. This policy recognizes that nutrition education and physical education are essential components of the educational process and that good health fosters student attendance and learning. A healthy school environment promotes and protects student learning by encouraging healthy eating and physical activity. To that end, the policy outlines school guidelines for promoting a healthy environment. Our school district encourages the involvement of students, parents, and staff in monitoring and reviewing district nutrition and physical activity practices. The policy is required by federal statute.

# WEATHER & EMERGENCY PROCEDURES

## **SEVERE WEATHER PROCEDURES**

Generally, you can expect that school will be held, even in severe weather.

If school is held on a day you believe the weather is hazardous, you may keep your child home. Please call your school's absence line to report the absence. The absence will be excused.

## **SCHOOL CANCELLATION AND EARLY DISMISSAL**

### **School Cancellation**

District administrators consider the combined effects of snow, ice, and wind chill when determining if school will be held. If the National Weather Service predicts the wind chill to remain at or drop below -35°F (below zero), school may be canceled. We attempt to make the decision by 5:30 a.m. after surveying conditions, monitoring weather reports, and consulting with transportation vendors.

### **Early Dismissal**

Early dismissal is unlikely, due to the complexity of student transportation. However, if a storm worsens during the day, the superintendent may decide to close school early. Staff would attempt to make such a decision by 11 a.m.

Mid-day dismissal: Lunch may be served and schools will be released in normal order, so older siblings are home first to await younger brothers/sisters.

Tornado warning or other severe weather: Buses will not be loaded and students will remain at school.

### **Late Starts**

Due to the complexity of student transportation (e.g., students coming from other districts for magnet schools, homeless student transportation, and transportation to out-of-district special education programs), Osseo Area Schools currently does not offer late starts. At the time this handbook was published, however, the district was studying the feasibility of weather-related two-hour late starts. Families will be updated if late starts become an option.

## **Programs, Activities, Events**

When schools close, all after-school and evening activities and programs are generally cancelled, as well, including extra-curricular activities and community education programs (youth/adult classes; preschool and Kidstop programs; adult basic education; early childhood). Privately sponsored activities scheduled through the school district's facilities reservation department are also cancelled. The Kidstop Family Handbook describes pick-up procedures related to early dismissals.

## **COMMUNICATIONS**

If school is canceled or dismissed early, we inform families as follows:

**Telephone/email**: We will call and/or email you using an automated messaging system. Please be sure to submit or update your contact information through your child's school.

**Online**: Whenever possible, emergency information will be posted on the district's website—[www.district279.org](http://www.district279.org)—and the district's Facebook page—[www.facebook.com/OsseoSchools](http://www.facebook.com/OsseoSchools).

**Broadcast**: Information will be submitted to major radio and TV stations as "Osseo District 279."

Please do not call your child's school with questions during an emergency. The phone lines must remain open for emergency communications. If you need assistance, call the main district phone number: 763.391.7000.

## **PARENT/GUARDIAN RESPONSIBILITIES**

**School emergency plan for your family**: Make sure your children know what to do if school is canceled. Do they know how to get into your home safely if school closes early?

**Student emergency contact information at school**: Students will be released only to parents, guardians and authorized individuals listed on the student emergency cards kept in at school. Please keep this information current.

**Weather-appropriate clothing**: Please send your child to school dressed appropriately for the weather, e.g. warm coat, mittens, hat, and/or boots. Your child will be expected to go outdoors when outdoor recess is held. The school principal will determine whether to hold outdoor recess when the weather is questionable.

# WEATHER & EMERGENCY PROCEDURES continued...

## EMERGENCY PROCEDURES

Osseo Area Schools has a comprehensive emergency plan developed with the help of local law enforcement, emergency management, and public health officials. Drills are routinely held in all district buildings to prepare students and employees for emergencies. In the rare event of an emergency, the school principal or a district administrator will implement one of the following actions as needed. Children will only be released to their parents or individuals authorized on the student's emergency card.

### HOLD

Initiated when the hallways need to be kept clear due to a situation. Students and staff are instructed to clear the halls and remain securely in a classroom or area until the situation is resolved. For example, a medical emergency in the hallway allowing first responders with clear access to support the situation.

### SECURE

Building locked, and students and activities brought inside as a precaution due to activity in the area, not in the school or on school grounds. Learning continues inside the building with minimal interruption or distractions. For example, law enforcement activity near the school or a dangerous animal outside.

### LOCKDOWN

Perceived danger inside or very near the building. All students and staff are trained to get behind a locked door - Locks, Lights, Out of Sight. In the rare event that a student cannot get behind a locked door, they are trained in self-evacuation protocols. For example, a threat inside the school.

### EVACUATE

Students and staff are moved to a new or safe location due to a situation in or near the school building. For example, a gas leak in the school.

## SHELTER

Students and staff take shelter due to a situation in or near the school. For example, a tornado warning. All students and staff will be moved to designated shelter areas within the building. If severe weather strikes during dismissal, buses may be delayed.

During a shelter-in-place or lockdown, building access will be restricted to the public, including parents. Once the emergency response action has been lifted, you will be allowed to enter the building.

## STOPit TIP LINE - 763-265-3636

The district has established the STOPit tip line for students, staff, and the community to report bullying, weapons, drugs, racial harm, unsafe conditions, and violence. All tips may be provided anonymously. If you have information regarding something that may happen or an incident that has already occurred, please call 763-265-3636 to report it or you may also submit an anonymous STOPit tip form online. A link to the [STOPit](#) tip form can be found at the bottom of any district webpage. All tips are forwarded to the appropriate principal or administrator to investigate.

At Osseo Area Schools, we are committed to creating a safe and supportive environment where every student's well-being is paramount. We prioritize mental health awareness and provide resources, training, and compassionate support to help students navigate challenges, including those related to suicide.

# STUDENT RECORDS & RIGHTS

School Board Policy #515 - Protection and Privacy of Education Records, outlines the collection, security, storage and release of student information as required by State and Federal laws. The school district must obtain and use information about each student to plan the best education program and ensure the rights of each student and parent/guardian to privacy. Therefore, access to information by third parties is controlled.

The Superintendent of Schools, who has overall responsibility for student records, delegates the day-to-day responsibility to administrators in charge of each elementary and secondary school and to certain District personnel.

**Student Data:** Student data is classified as public, private or confidential.

**Directory Information:** Directory information is public data that may be disclosed in the form of class lists or other lists. Directory information does not include any personally identifiable information. School Board Policy 515 designates the following student data as directory information:

- |                        |  |  |
|------------------------|--|--|
| • student's name       |  | dates of attendance                                      |
| • student's address    |  | degrees and awards received                              |

**Denial of Release of Directory Information:** A parent/guardian of a student or an eligible student may object to the designation of the above information as directory information and may notify the building principal in writing using Appendix C of School Board Procedure 515. Appendix C may be obtained from any school office or the district website. Designation of directory information to private is in effect for one year or until modified, whichever comes first.

Requests for directory information are made in writing to the Coordinator of Information Systems, 11200 93rd Avenue North, Maple Grove, MN 55369, 763-391-7000.

**Private Data:** In general, all documents and verbal student information is private data and cannot be released by school district employees to the public. "Members of the public" include most school district employees, and students and their parents who are not the subject of the data.

**Accessing:** A student or parent may gain access to his/her own private data, but there are expeditions listed in policy/procedure 515. School district employees may gain access to this data if they have a legitimate educational interest in the information, or the information will provide effective, educational-related services to the student or parent.

**Collecting and using:** The school district employee must inform the student or parent of the purpose, intended use, obligation to provide or consequences of failing to provide the data, and to whom the information may be disclosed. Employees who violate this policy may be subject to discipline—including termination and civil/criminal penalties.

Denial to release information to military recruiters may be completed by submitting Appendix D to school office by October 1<sup>st</sup>. The denial of authorization by parent/guardian or eligible student must be completed annually.

**Storage of Student Records:** Student records are kept secure in the school in which the student is attending. **Transfer of Student Records:** When a student moves from one school to another within the District, the entire record will be checked for completeness and then be forwarded to the student's new school. Parent/guardian may request a copy of the records transferred and may challenge the content of the transferred records in accordance with Section H of Procedure 515.

Questions concerning student records should be directed to the District Compliance officer, at

4. File with the U.S. Department of Education a complaint concerning alleged failures by the educational agency or institution to comply with the requirements of FERPA.

This is a summary of the "Statement of Rights." The entire statement is Appendix A in Procedure 515 Protection and Privacy of Education Records.

## ParentVue & SchoolVue

Osseo Area Schools offers parents/guardians access to ParentVUE, an online service, that is easy to access and will enhance teacher/parent communication. ParentVUE provides parents with the opportunity to go online and find information about their child's academic performance, schedule, attendance, food service account and transportation information. Users are able to view current academic progress reports and unofficial transcripts. It also allows you to subscribe to an email alert system that will automatically send an email when your child is absent. In addition, parents may use ParentVUE to update their phone numbers and e-mail address.

In order to take advantage of ParentVUE, a parent or legal guardian must present one of the following forms of personal identification: *a valid driver's license; a valid State identification card; or a valid passport.*

With appropriate identification, you will receive your ParentVUE access key. This access key allows you to setup your ParentVUE account so you can gain access to your child's academic information. Once you activate your account, you will have 24-hour access to attendance, current term schedule and academic performance. You will also have access to academic progress reports for your child. Due to data privacy, we are unable to mail your secure access key via mail.

### StudentVUE

Students have access to StudentVUE too! Within the first two weeks of the start of the school year, all students will be given access to their attendance, schedule, transcript and grade book information online. **Students will be expected to periodically review their academic progress via StudentVUE online grading software, accessible from any Internet-connected computer or iPad.** This will give our students the opportunity to stay on top of their own attendance and classroom assignments.

**It is the responsibility of the student to maintain the security of his or her user name and password information. Attempts to tamper with other students' accounts will result in discipline following the Osseo Area Schools Internet Acceptable Use and Safety policy.**

## **DESCRIPTION OF CONSEQUENCES**

It is our philosophy that the consequence and corrective action taken be appropriate, fair, and result in ending the behavior.

Parent/guardian involvement encourages appropriate behavior. Discipline consequences may be given by a staff member or for more serious offenses by the administration. Parents may be contacted for each infraction, but will be notified for in-school suspension or out-of-school suspension. Parents, check with your student regularly about his/her behavior.

Consequences may include but are not limited to: meeting with the teacher/counselor/principal, detention, loss of school privileges, parent conference with school staff, modified school program, referral to school support services, referral to legal system, restitution, removal from class, administrative dismissal, out-of-school suspension, exclusion, or expulsion. Unless otherwise stated, the normal progression of consequences may include detention, in-school suspension, and out-of-school suspension. This may vary due to severity and frequency of offenses.

Detention is a supervised study period before or after school assigned by a teacher and/or principal. Out-of-school suspension means the student is not to be on any school property during the suspension. A parent conference will be required before re-admittance to school.

Expulsion is action by the school board to prohibit an enrolled student from further attendance for a period of time.

Consequences may include, but are not limited to the following:

# STUDENT BEHAVIOR PLAN

## **ADMINISTRATIVE DISMISSAL**

Any removal of a student from school for one day or less will be considered an administrative dismissal. Administrative dismissal prohibits a student from being in school, on school grounds, or at a school sponsored event for the day. A parent conference may be required before the student is readmitted to school.

## **ALTERNATIVES TO SUSPENSION**

Alternatives to suspension is an intervention to reduce the need for suspension as a response to disciplinary incidents. Alternatives to suspension include: In-school suspension, Diversion program, community service, and restitution.

## **BEFORE/AFTER SCHOOL EXCLUSION**

Being in the school before and after school requires proper behavior and certain guidelines.

Problem students will be excluded from early/late privileges. Parents of such students will be notified by letter and trespassing charges will be filed if the exclusion is disobeyed.

## **CLASSROOM REMOVAL**

Classroom teachers have the right to request removal of a student from class on a temporary basis, not to exceed five consecutive classes. An administrator will make the decision to remove a student. Students who are removed from class will be supervised and expected to work on assignments.

## **COMMUNITY SERVICE**

Students will be assigned duties around the school to give back to the school community.

## **EXPULSION (Up to twelve calendar months)**

Expulsion prohibits a student from attending any District 279 school for a prescribed period of time. No expulsion shall be imposed without a hearing unless the right to a hearing is waived in writing by the pupil and parent/guardian.

## **INVESTIGATION PROCEDURES**

When allegations of violations of School rules, School Behavior Guidelines or ISD 279 Policy or Procedures have been brought to the administration's attention, the School or School District will conduct an investigation to find out the facts regarding the allegations and determine what action, if any, the School and/or School District will take. This may include disciplinary action against the individual(s) involved. Students are not required to speak to the administrator, however, refusal to do so could be considered insubordination and could lead to disciplinary action up to and including suspension and/or expulsion/exclusion. Any information that is provided will be used to determine the facts and the subsequent action the School and/or School District will take. The information that is provided may also

be shared with other Schools and/or School District officials, the School District's attorney, and may also be shared with law enforcement or other responsible agencies.

## **OFFICE DETENTION**

Students are required to stay before or after school to serve an office detention. Office detention will be assigned by an administrator. Students are required to use detention time to study or work on school assignments. Students who have been assigned repeated detentions will not receive additional detention for future infractions. In-School-Suspension will be assigned instead.

## **OUT-OF-SCHOOL SUSPENSION (OSS)**

Out-of-School Suspension prohibits a student from being in school, on school grounds, or at a school sponsored event for a specific period of time. OSS will be assigned by an administrator. Homework will be provided for student make-up work. A parent conference will be required before the student is readmitted to school.

## **RESTITUTION**

Students will make a payment to restore or make right on an incident that has caused a loss or damage.

## **TEACHER DETENTION (Before or after school)**

A classroom teacher may require a student to serve teacher detention before or after school for make-up work, behavior infractions, or class tardies.

## **TENNESSEN NOTICE**

Occasionally (usually in the context of allegations of violations of school rules, behavior guidelines, or school board policy), school staff may need to interview students to gather information that would be helpful in an investigation. Before those interviews are conducted, the staff member will give each interviewee a "Tennessee Notice," which describes the purpose for collecting information, how it will be used, and the consequences of not providing information. Students also will be notified that they have the right not to respond to school staff members' questions about their behavior. If a student wishes not to respond, however, the school staff member may consider the student's refusal to be insubordination and subject the student to discipline.
