DMS EARNS RECOGNITION FROM APPLE

Dorseyville Middle School has been recognized as an Apple Distinguished School for the 2024–2027 program term.

Apple Distinguished Schools are centers of leadership and educational excellence, with a clear vision for how technology-rich environments support learning goals. In Apple Distinguished Schools, forward-thinking leaders and their communities work to inspire, imagine, and impact teaching and learning, and they have documented results of academic accomplishments.

Approximately 900 schools in 37 countries have been named Apple Distinguished Schools since the inception of the program. Twenty-four of those schools are in Pennsylvania.

“The recognition as an Apple Distinguished School is a testament to our commitment to creating innovative learning environments where technology empowers students to excel,” says DMS Program Principal Dr. Laura Miller, who coordinated the application for recognition, along with the school’s technology committee.

The Fox Chapel Area School District has been named among the 2024 Best Communities for Music Education by the NAMM Foundation. This is the 13th year that the district has received this designation. It recognizes districts that demonstrate outstanding music achievement and that provide an exceptionally high commitment and access to all students to music education.

SWEET LESSON

Students in Mr. Ethan Wagner’s social studies classes at Dorseyville Middle School got a sweet surprise during a lesson: They used gummy bears to illustrate the different types of governments. What a fun exercise!
