Every school has the capability to teach children but to have teachers who teach with passion and who are intentional about helping children grow and succeed is why I love Kohrville for my girls!

PARENT

It is an honor to be a part of the loving Kohrville Family, where we always go the extra mile to do what is best for our kids. I am happy to call Kohrville my home away from home.

TEACHER

I'm glad I'm here. My teachers always help me. It's a partnership in my class with my learning. There are so many people at Kohrville who are nice.

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
