There are many pathways to becoming an educator. Here's a quick guide to...

Expanded Learning Program Staff

Includes before-school, after-school, and summer school programs

District qualifications for Instructional Aide

College units or associate's degree and competency assessment may be required by some schools/districts

Note:

Background

check and drug

screening

Required for K-8 Expanded Learning Programs May be required for 9-12 Expanded Learning Programs

Clear

Tuberculosis

(TB) Test

Depending on the school/district, applications may be processed through Edjoin.org or directly through the school/district.

Community-based organizations/program providers (i.e. YMCA, Boys & Girls Club, etc), may handle the application process on behalf of the school/district.

Working in Expanded Learning is a way to start working in schools before completing a Bachelor's Degree and Teaching Credential Program.

Positions are often part time, making it easier to also attend classes and/or maintain other personal and family obligations.

Special Conditions of Employment CPR and Certificate of first aid Clearance or certification Fingerprinting

may be

required

within 30 days

of hire

The school/district will let you know what level of clearance and type of fingerprints are required. SDCOE has fingerprinting services on our Linda Vista campus and in San Marcos. www.sdcoe.net/credentials
