Dear Coronado Community,

Freshmen only day is always beautifully chaotic and we successfully steered the freshmen through their first day of high school, setting the stage for a great year to come. Over 60 LINK Crew members planned and orchestrated an event-filled day starting with a rousing welcome from staff clapping and cheering on the newbies, fun games, teambuilding, sharing life stories, anecdotes from upperclassmen, and a class schedule run-through in the afternoon.

Upperclassmen joined the freshmen on Tuesday. Some classroom sizes were overly large, but our counselors made adjustments to schedules and alleviated this discrepancy to maximize your child's learning experience and enable stronger teacher and student relationships.

Be sure to join us this year for our SAC and PTA meetings where you'll keep abreast of events, opportunities, and decision making at Coronado. Parental involvement is a key factor in the success of a student's academic career.

Homecoming is right around the corner and the week of September 9-14, 2024 will be a memorable one. Make plans now to come to the parade in Old

Colorado City starting at 10:00 am Saturday.

Let's make it a great year!

CORONADO INFORMATION

ATTENDANCE MATTERS

Our goal this year is to ensure that every student attends school regularly. Showing up for school has a huge impact on a student's academic success starting in kindergarten and continuing through high school. Even as children grow older and more independent, families play a key role in making sure students get to school safely every day and understand why attendance is so important for success in school and in life. We realize some absences are unavoidable due to health problems or other circumstances. But, we also know that when students miss too much school—regardless of the reason—it can cause them to fall behind academically. Your child is less likely to succeed if he or she is chronically absent—which means missing 18 or more days over the course of an entire school year. Research shows:

- Children chronically absent in kindergarten and 1st grade are much less likely to read at grade level by the end of 3rd grade.
- By 6th grade, chronic absence is a proven early warning sign for students at risk for dropping out of school.
- By 9th grade good attendance can predict graduation rates even better than 8th grade test scores.

Absences can add up quickly. A child is chronically absent if he or she misses just two days every month!! Clearly, going to school regularly matters! We don't want your child to fall behind in school and get discouraged. Please ensure that your child attends school every day and arrives on time. Here are a few practical tips to help support regular attendance:

- Make sure your children keep a regular bedtime and establish a morning routine.
- Lay out clothes and load backpacks the night before.
- Ensure your children go to school every day unless they are truly sick.
- Avoid scheduling vacations or doctor's appointments when school is in session.
- Talk to teachers and counselors for advice if your children feel anxious about going to school.
- Develop back up plans for getting to school if something comes up. Call on a family member, neighbor, or another parent to take your child to school.

CORONADO

ATTENDANCE POLICY

Students are more likely to succeed in academics when they attend school consistently. It is difficult for the teacher and class to build their skills and progress if a large number of students are frequently absent.

- Parents and guardians must excuse their students within 48 hours of the absence.
- Students who missed 50% of class will be marked as an unexcused absence. Please call the attendance office to excuse your student.

Chronic tardiness may result in detention or suspension and may become a serious discipline issue.

EXCUSING STUDENT ABSENCES

NEW EMAIL SITE TO EXCUSE ABSENCES

OR ATTENDANCE LINE: 719-328-3613

CORONADO.ATTENDANCE@D11.ORG

PARENTS SHOULD EXCUSE THEIR STUDENT'S ABSENCE WITHIN 48 HOURS. MESSAGES MAY BE LEFT (24/7) AND SHOULD INCLUDE:

- STUDENT'S NAME
- PARENT / GUARDIAN NAME
- CALLER'S RELATIONSHIP TO STUDENT
- DATE, REASON FOR ABSENCE, AND PHONE NUMBER

If you need your student released early due to an appointment, please send a note with your student or call the attendance line. Notes should be brought to the attendance office before school or between classes.

Please call the attendance office 1 hour in advance to request an early release. Requests made without a 1 hour notice may result in a student not being released by the requested time. We appreciate your assistance with this. This allows us to page your student during passing periods and get a pass for the student to be released in time for their appointment, thereby reducing interruptions to classes.

GENERAL INFORMATION

Welcome back! As students enter high school, they are assigned a counselor based upon graduation year. The counselor works with the student throughout their four years of high school. It is during this time that counselors have the opportunity to become well acquainted with their students and their families. Mr. Crosby and Mr. Mann work with students in all grades to support Post-Secondary Readiness and work very closely with those students interested in College and various Concurrent Enrollment and Career Readiness Programs that we offer here at Coronado. We are excited to welcome Mr. Crosby, Ms. Moyer, and Ms. Lynnes to the CHS Counseling Team.

COUNSELING SERVICES

School counselors at Coronado work to empower students with the knowledge, skills, and resources needed for post-secondary success. For more information schedule an appointment with your student's counselor at [Here](#)

PSAT-National Merit Scholarship Qualifying Test (NMSQT)

High Achieving 10th & 11th Graders

This test provides students with an idea of how they will perform on the SAT in the Spring of 11th grade. We also encourage highly achieving 10th graders to take the PSAT. It will be held in October with more information to come. Information at [NMSQT](#)

Registration is in the business office. Cost is \$20.00.

Students may register for the PSAT/NMSQT beginning September 1.

GT AND ADVANCED PLACEMENT

GREAT OPPORTUNITY to earn COLLEGE CREDIT!!

Throughout the school year, Coronado offers nearly 30 courses for college credit through our Extended Studies, Dual Enrollment, CU Gold/CU Succeed program! CU Succeed class registration season has begun and will last through early October.

This is a great opportunity for students to get a jump on college while still in high school and all classes are taught by Coronado teachers, at Coronado, certified as honorarium instructors, with credits transferable in and out of Colorado. Students should be a student in good standing, earn a C or better in their courses, and parents must sign a financial responsibility form (UCDenver only). If you are still in need of more information, see the links for the application, and registration information. Please contact your counselor if you have any questions or concerns.

CU Platinum Course—Public

Speaking COMM 2100 Online Master the art of articulation. Course offered for college and high school credit and meets weekly, online. Taught by UCCS Instructor, students can earn 3 college and 1 high school credit. See Coronado's AP Coordinator for details, and/or click on the link below or QR code to indicate your interest in the class. Class begins in September (date TBD). Tuition free. Transferable. Registration information will be sent to interested students after August 31 with a course cap of 25 students.

GT Class Meetings in September

Identified Gifted and Talented students will meet with Coronado's GT Resource Teacher in September to discuss relevant resources and Advanced Learning Plans (ALPs) as it relates to their ICAP (Individual Career and Academic Plan). A pass will be distributed to students prior to meetings in the north end of the Coronado Media Center. They should bring their computer with them along with their pass.

Coronado's new GT Teacher will be contacting you in the near future.

AP – College Board Advanced Placement Classes

Coronado offers over 20 Advanced Placement courses, mostly for juniors and seniors, although AP Human Geography and AP US History are available to freshmen and sophomores. Go to the Coronado teacher page at <https://www.d11.org/Domain/3860> and check out information regarding AP course offerings. The [2024 AP Exams](#) will be administered in **schools over two weeks beginning May 6–10 and May 13–17**, and the **AP May 2024 Exam Schedule** – Coronado exams are scheduled to be held in-person.

Current AP students have or will be distributed "join codes" in order to access AP Classroom resources and to register for their AP exams. School District 11 will pay for their AP exam(s). For information about AP College Credit and College Policies, go to <https://apstudents.collegeboard.org/getting-credit-placement>

Coronado's new AP Coordinator will be contacting you in the near future.
