Welcome to Frank Elementary!

When you enter our doors, you will feel the joy that fills the building from the students and the staff. You will see engaged learners in each classroom. You will see evidence throughout the building of all the fun things happening that create the fun family feel such as our theme that changes each year, exciting learning happening in the library such as Makerspaces, as well as learning extension activities. Ask any student you see about our core values of S.O.A.R. They can explain the core value that each letter represents. You will also hear our common phrase of, "Frank Flyers don't just fly, we Soar!" Come Soar with us!

Flyers are saying...

"What I love about Frank Elementary is the community that surrounds it. Frank has that wonderful small-town feeling where everyone knows your name and, genuinely, cares about you."

PARENT

"Our administrators support us from every angle and always have our backs. They're honest, and they allow us to do what is best for kids on a daily basis."

TEACHER

"I Like that my teacher has unique ways of helping us learn. One time we did a math scavenger hunt, and it was a lot of fun. I love that we get celebrated for working hard and get to work at our own pace with our data trackers."

STUDENT

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
