HILDEBRANDT INTRODUCTION

Hildebrandt Intermediate School serves 1100 students in the 6th-8th grade. Our school prides itself on creating an environment that cultivates lifelong learning by emphasizing personalized goal-setting and data conferences to develop strong leaders. We offer a range of support services to students, including family engagement, character education, and various student clubs. With over 18 student clubs, Theatre Arts, Band, Choir, Orchestra, and Athletics, we strive to have something for everyone.

For more than 50 years, Mustang Nation has upheld its promise of helping students find their purpose by incorporating strong values and setting a standard of excellence for all learners. At Hildebrandt Intermediate School, we believe in caring for the whole learner and offer personalized learning pathways, student choice activities to enhance the mastery of TEKS, and character development through our H.E.A.R.T. of a Mustangs program.

1:1 Connected

The 1:1 student program is a great opportunity for all secondary students to access laptop devices for their coursework. This initiative supports engaging learning opportunities for students by meaningfully incorporating the use of technology to expand learning beyond the classroom.
