Welcome to Benignus Elementary!

I am thrilled and honored to introduce myself as the new principal of Benignus Elementary and return to this amazing school community! Most recently, I served as the principal of Mueller Elementary, but earlier in my career, I was an assistant principal at Northampton Elementary.

My passion for building excellent partnerships with staff, students, and families is something I truly look forward to as your new principal. I care deeply about a strong school culture and a learning environment where we work together to reach our greatest potential through supportive and productive relationships to help one another thrive.

In the near future, I will communicate ways that we can meet one another and how I will stay connected with you as your new principal. I'm excited about everything that we are going to achieve together and can't wait to begin working with you and our Benignus Leopards!

The school has a wide range of programs to participate in and the staff makes learning fun for kids. We love being Leopards!

PARENT

From the year it opened and each year after, Benignus has been a place of learning, joy, friendships, nurturing, laughter, peace, and comfort to all who enter. All that a home should be.

TEACHER

There are a lot of things I like about our school! The teachers are fun and nice. I get to be involved in clubs like, art, Name That Book, Rapid Paws, Choir, and Strings!

5TH GRADER

PROGRAM HIGHLIGHT

Benignus Elementary teachers focus on high-quality instruction through the use of personalized pathways, peer collaboration, and extension lessons when academic content has been mastered. We focus on knowing students by name, strength, and need and tailor learning opportunities to meet each individual student where they are in their learning journey.

CHARACTER EDUCATION

In Klein ISD, we focus on the whole student so that every student will "level up" and engage in rigorous learning and build excellent character.

The TEKS and our Klein ISD Profile of a Learner guiding document together provide the support needed for Whole Student Character Development.

Each elementary school has a guidance counselor to assist students and families with educational, personal, and career development aspects of the student's growth.
