Northbrook High School is a comprehensive public high school located in Northwest Houston. We serve a very diverse population with students enrolled from a variety of different countries. We are the flagship school for the Sky Partnership with KIPP Houston Public Schools and YES Prep Public Schools, two high-performing charter management organizations, to expand middle and high school choices and opportunities for SBISD students. We have ongoing partnerships with College Community Career, Emerge, OneGoal and Posse organizations that foster a college-going culture with high school students and families.

**Grading & Ranking Procedures**

	GT/AP/DC/DE/AAC	Grade Level
A = 90-100	7	6
B = 80-89	6	5
C = 75-79	5	4
C- = 70-74	4	3
F = Below 70	0	0

Weighted grade points are awarded for only one course per year, grades 9-12, in each of the four core curricular areas (English, math, science, social studies). GPA is determined by dividing the total grade points by the number of courses attempted. Courses not included in the calculation of GPA include those taken as correspondence/online, credit by examination and those taken in summer school and middle school. An expanded grading scale includes Special Education.

Spring Branch ISD reports class rank outside the top 10% only for those students who make a formal request to have it included on their transcript.
