Principal's Den

Dear LES families,

The first month of school has flown by! Thank you for all your support as we begin this new year of learning and growing as a school family.

Thank you for helping us ensure our arrival and dismissal runs smoothly each day. Please see below for a couple of campus reminders.

- Cell phones should not be in use while you are driving your vehicle on campus. This is a Tennessee state law.
- Walkers should not be picked up by a car in the Ralston Lot. Please use the car rider lanes for all vehicle pick-up.
- If you do not have a school-issued car rider tag, you will be asked to go to the office to pick up your child. Be sure to have your photo ID with you when you come to check your child out from the office.
- Be sure to follow all posted speed limits on campus.

I hope you and your family have a happy and safe Labor Day weekend!

Respectfully,

Mrs. Patton

A Message From FSSD School Health Coordinator

Welcome to the 2024-25 school year! I hope that the transition from summer break back to school has been a great one! Here are a few tips for feeling more prepared for the new school year:

- School schedules mean early mornings. Be sure bed times allow for an adequate amount of hours of sleep for your child.
- Practice morning routines that decrease confusion. Set your daily alarm for the same time. Keep backpacks and lunchboxes in a designated place.
- Get familiar with the policies for classrooms, homework and schools. The more you and your child know regarding these expectations, the easier it will be to keep your child on track.

Lisa Chatman, FSSD School Health Coordinator

September 15
Hispanic Heritage Month begins

September 24
Fall Picture Day

September 27
Family Movie Night from 6-8:00

Math Fluency Learning Lab!

Our wonderful math coach, Mr. King, is creating a math fluency lab for our students and teachers to use. Students will use interactive fluency games, activities, and manipulatives to strengthen their fluency. I will be sending out a Parent Square message with some requests for gently used items to help Mr. King stock the lab. Thank you for your help!
