Our Focus: Habits of Relationships

Relationship with Community

Be Curious - We are full of curiosity, wonder, and awe about everything around us. We know that it is ok to not know something and we eagerly inquire to find out more. We ask questions, consider possibilities, imagine new realities, identify new problems, innovate, and create solutions.

Have Fun - We can find joy even in the most difficult circumstances. We seek fun in the large and small moments of life. We see humor around us and are able to laugh easily, even at ourselves. We are serious when necessary, but we have a blast with life!

Relationship with Each Other

Show Compassion - We have empathy for each other and put ourselves in the shoes of others to understand their circumstances. We consider others' needs as we make decisions and follow the Golden Rule of treating each other as we want to be treated.

Give Back - We give back to each other through service, thanks, and feedback. We show appreciation for one another and offer help and support each other. We work to ensure that everyone can be her or his best self.

Relationship with Self

Work Hard - We work hard, often doing more than is expected of us, to find and solve problems. We take responsibility for our effort, results, and behavior. We do our best and persevere when things get difficult with a "fail forward" mindset. We operate with self-control and determination.

Stay Healthy - We take care of ourselves. We eat right, exercise, and get the right amount of sleep for our own productivity. We manage our emotions and handle stress effectively. We live in a balanced way to ensure time for our family, friends, and fun!

LINDBERGH'S INFORMATION GUIDE

ABSENCES AND TARDIES

It is very important that your child be in school every day. If your child is sick or unable to attend school please call the school office at 918-833-8700 before 9:00 am. Please send a doctor's note when your child returns to school following an absence of more than two days. Please see that your child is prompt in arriving at school. Tardy students miss out on instruction and disrupt classes. Tardy students must have a pass from the office to be admitted to class after 7:45 am

*Tulsa Public School Board Policy 2206, Admission of District Transfer Students, states that students must follow approved board policy for attendance. TPS Board Policy 2204 states the student attending elementary or secondary schools shall be in attendance a minimum of ninety percent of the instructional time. All excused and unexcused absences should be taken into consideration in calculating a student's attendance. Transfers may be revoked – due to poor attendance.

ARRIVAL AND DEPARTURE TIMES

Children should arrive at school between 7:20 and 7:30 a.m. Class starts at 7:30 a.m. Students are counted tardy starting at 7:45 a.m. Students are dismissed at 2:35 p.m. If you arrive after 3:15pm you will need to pick up your child from the office. All students are expected to leave the building by 3:15 p.m. unless participating in an afterschool activity.

ARTICLES PROHIBITED IN SCHOOL

Phones, smart watches, electronics, games, toys, guns, knives, skateboards, stereos, collection cards, firecrackers, or any items unrelated to the classroom are prohibited on school grounds. BIRTHDAY CELEBRATIONS

Birthday celebrations must be coordinated with the teacher and held in the afternoon.

BREAKFAST AND LUNCH

Breakfast is served in the cafeteria 7:20 a.m.–7:40 a.m. and all students will eat their meal in the cafeteria before being dismissed to the classroom. Students should eat breakfast at home if their arrival to school is after 7:40 a.m.

All elementary school students receive free breakfast and lunch. Menus are available on the TPS website.

Our school is a Certified Healthy School. Chips, soda/pop, candy, etc. are not considered healthy foods. Therefore, these types of food will not be allowed as a lunch option for students.

BUILDING/GROUNDS USE

Any use of the building or grounds, day or evening, must be scheduled and approved through the district office. The request must be submitted at least two weeks in advance of the required date. Weekend use of the building requires payment of custodial overtime by the user group.

The use of practice fields requires pre-approval by the principal. The request should be submitted at least two weeks in advance. School grounds, including playground equipment, are not available for scheduled use during the school day.

BUS TRANSPORTATION

If your child lives further than 1.5 miles from your neighborhood school, you may call for bus transportation to and from school. 918-833-8100 is the phone number for the Tulsa Public Schools Transportation Department. Bus routes can be found at <u>Transportation - Tulsa Public Schools</u>. It is the responsibility of the parent to arrange for the school bus transportation.

CLASSROOM VISITATION

Parents at times may wish to visit their child's classes. We extend a cordial invitation for you to do so, but please call to set up a time and date for your observation (24 hours notice is required). Upon arrival, check in at the school office before going to your child's classroom. All visitors must wear a visitor badge. Please keep in mind that your observations of class ongoing are confidential in order to preserve student privacy.

CLINIC ISSUES

The health assistant or designated school personnel may exclude from school children with fever, severe sore throat, coughs, or colds, conjunctivitis, scalp ring worms, skin rash, head lice, chicken pox, or any other visible signs of illness. If these symptoms develop at school, the parent will be notified, and the child will be sent home. Students will need to be cleared through the clinic upon their return. Please be sure the school has a current phone number to reach a parent/guardian in case of illness.

CONTACT INFORMATION

Please update the office of any changes in your contact information, including phone numbers and address change. This is vital to ensure good communication as well as your child's safety.

DISCIPLINE

Tulsa Public Schools Behavior Response Plan as outlined in the <u>Student & Family Guide to</u> <u>Success</u> will be followed for selecting consequences as well as out of school suspensions. Any disciplinary action taken at *Lindbergh Elementary* will be in accordance with the school board policy. Our goal is to teach students the skills necessary for self-discipline. Teachers will handle daily disruptions in their classrooms. If misbehavior continues, the child will be sent to the principal's office or the dean's office for a conference and the parents may be called to communicate about the incident and to coordinate a discipline plan.

DRESS CODE AND GROOMING GUIDELINES

The following guidelines are established concerning appropriate attire for school: All students will be required to wear full school uniforms (see requirements below). Students must follow <u>https://lindbergh.tulsaschools.org/parents/uniforms</u>.

FIELD TRIPS

All field trips will be approved by the Principal. No student will be allowed on a field trip without the written permission from the parent or guardian. The students' attendance on a field trip will be determined by their daily behavior, daily work, and attendance at school.

GUIDANCE AND COUNSELING

Guidance services are available to all our students and their families. Appointments or inquiries with the principal/assistant principal or dean can be made by calling the school office. Additionally the school contracts counseling services with Grand Mental Health and other outside agencies that work within the school to provide students and their families' comprehensive counseling services.

HOMEWORK

Each grade level or teacher will determine homework requirements. Homework reinforces concepts discussed in the classroom and the homework will not be translated. It is the student's responsibility to complete their homework to the best of their abilities. If your child is struggling with the homework please inform the teacher and submit what your child was able to complete. Please do not do your child's homework. In order to receive credit for homework, students must complete, return, and turn in the homework.

LEAVING SCHOOL DURING THE DAY

After a child has arrived at school he/she will not be permitted to leave the school without the parent or guardian signing him/her out through the office. If the child returns to school the same day, the parent or guardian will need to walk the child inside the building and sign him/her back in through the office. The office will give the child a slip to return to class. If there is an occasion when a child will be leaving the school with someone other than the parent, guardian or the emergency contact listed on the child's information card, the office must be notified in writing. The person picking up your child will also need to sign him/her out, and show identification.

Please do not pick up children early unless it cannot be avoided. Every minute of class time is important for your child to have a successful academic year. Students leaving the classroom are a disruption for the entire class. If there is an emergency or an appointment, parents must pick up their child from the office before 2pm. Students will not be released from class between 2pm and 2:35p.m., this is asked in order to minimize dismissal confusion. Please keep in mind that an early departure before 2 p.m. counts as half day of absence.

LOCKERS

Students must use the locker assigned to them. Lockers should be kept free of unnecessary items. Lockers may be inspected at any time by the principal of their designee.

LOST BOOKS

Books checked out from the library by the student and books assigned to the students by the teachers are the responsibility of the student. If books are lost or damaged, they must be paid for before any other books may be checked out. Students will be charged the cost of replacing the books. Students should keep the receipt of payment of the lost book in case the lost book is found so a refund can be given.

LOST or DAMAGED CHROMEBOOKS

Students will have access to the use of a Chromebook in the classroom. The assigned Chromebook is the responsibility of the student to whom it was assigned. Incidents of

accidental or intentional damage will result in a fine to the student after the 2nd reported incident. The damages must be paid for by the parent or guardian before another Chromebook is assigned to the student. Students will be charged the cost of repairing or replacing the lost or damaged Chromebook.

MEDICATION

Tulsa Public School's policy permits administration of medication during the school day only with written directions from the physician. Every effort must be made to administer medication at home, as it represents a disruption in the student's school day. However, if your physician feels it is necessary to administer medication during the school hours, the parent/guardian will need to fill out a "Permission to Administer Medicine" form in the school clinic.

Throughout the year your child's health record will be checked and you will be informed of any immunizations needed. A notice will be sent to you stating immunization needs and the date due. Please make every effort to keep your children's immunizations current. A child may not attend school if immunizations are not current.

PARENT CONFERENCES/APPOINTMENTS

Conferences are held in the Fall and Spring. Teachers will send home information when it is time to schedule them. Parents are encouraged to keep in close contact with the school concerning their child's educational development. If at any time that you feel a need to talk with the teacher, principal, or dean, please call the school to set up an appointment.

PARKING

Please do not park your vehicle in the circle drive or leave it unsupervised during drop off and pick up times. This is a zone for pick up or drop off only. If you need to enter the building please park your vehicle in the parking lot located on the west side of the building. The safety of the students is our first priority and we should keep the driving lanes clear. Remember to drive slowly!

Written communication, along with other bulletins, provides a vital communication link for you between school and the home.

Bullying Prevention & Intervention

PURPOSE: To address student bullying behavior effectively through a multi-faceted approach that includes education and the promotion of a positive school atmosphere.

The Board expressly prohibits any form of bullying behavior by students at school as well as active or passive support for acts of bullying, harassment and intimidation.

In addition, the Board prohibits bullying behavior by students outside of the regular school day if it causes a substantial and material disruption at school or an interference with rights of students and personnel to be secure. This includes but is not limited to bullying through electronic communication, whether or not such communication originated at school or with school equipment, if the communication is specifically directed at students or school personnel and concerns bullying, harassment or intimidation at school.

All staff will be provided with a copy of this Policy and its regulations. All students will be provided a summary of the Policy. The entire Policy and its regulations are available on request. The District is committed to providing appropriate and relevant training to staff regarding identification of behavior constituting student harassment, intimidation, bullying and threatening behavior. The Superintendent or his/her designee will develop a regulation to support implementation of this policy.

The Superintendent or designee will ensure that students shall participate in an annual education program that sets out expectations for behavior and emphasizes an understanding of harassment, intimidation, bullying and threatening behavior. Students shall also be informed of the consequences resulting from bullying conduct toward their peers.

The Superintendent or designee will also ensure that each site principal implements administrative regulations in furtherance of this policy. Students who engage in bullying behavior shall be subject to school discipline, up to and including suspension out of school in accordance with the policies, rules and regulations of the District's Board of Education.

The Administration recognizes that there are many motivations behind the act of bullying, one of which may be for a discriminatory purpose. If the bullying behavior constitutes discriminatory harassment, intimidation or bullying (Le., it is targeted toward an individual because of race, color, religion, sex, sexual orientation, age, national origin, marital status, veteran status, disability or genetic information), the misconduct is prohibited pursuant to District Policy 4902 regarding Discriminatory Harassment, Intimidation and Bullying and is subject to the procedure and protections specified in 4902 in addition to this policy.

Retaliation is expressly prohibited against any person who participates in reporting, investigating or addressing any incident of student bullying behavior. Any person who knowingly makes false accusations against another person will be appropriately disciplined pursuant to District policy. Any accusations confirmed to be false will be removed from the falsely-accused student's file.
