## Community

The Stillwater Area Public School District is home to nearly 60,000 residents living in 18 communities in the St. Croix River valley. The district stretches 30 miles along the scenic St. Croix River, from Marine on St. Croix south to Afton, and covers approximately 150 square miles. Our family-oriented communities offer the advantages of being within 20 miles of the Twin Cities metropolitan area, while also providing a small-town environment. View district boundaries and details at [stillwaterschools.org/our-district/district-map](http://stillwaterschools.org/our-district/district-map).

## Curriculum

Stillwater Area High School offers a comprehensive curriculum of more than 176 courses, providing preparation and six-year planning for college-bound students, post-secondary vocational students and students planning to enter the workforce following graduation. The school offers a wide variety of courses to build a strong educational foundation in language arts, mathematics, social studies, science, business education, industrial technology, fine arts, health and physical education. Students have the opportunity to study several world languages. They can also gain a wide variety of technical skills in the school's Fabrication Laboratory. View complete course descriptions at [stillwaterschools.org/registerSAHS](http://stillwaterschools.org/registerSAHS).

## Rigorous Course Opportunities

Stillwater Area High School offers a six-period day. Students may enroll in three enriched (accelerated) courses: English 9 Enriched and STEM Physical Science in 9th grade and English 10 Enriched in 10th grade. These enriched courses do not reflect a weighted grade.

## Grading System

Stillwater Area High School has a dual ranking system for grading in all of our Advanced Placement (AP), College in the Schools (CIS), concurrent enrollment and Project Lead The Way (PLTW) courses. These courses are weighted with a 1.2 multiplier to establish the weighted rank. Academic letters are awarded to students who earn a GPA of 3.750 or above.

*\*Grades during the second semester of the 2019-2020 school year reflect a disruption to learning during the COVID-19 pandemic. P\* indicates that credit is earned for the course and Proficient; X\* indicates that credit is earned for the course although Not Proficient. Students also had an option to receive letter grades for the semester.*
