Mrs. M'lisa Miffleton - Principal Mrs. Ashley Whitaker - Assistant Principal

Dear Northfield Family,

August 23, 2024

The House System is designed for all students in grades PreK-6 to promote positive relationships and mentoring for students. All students are divided into houses and will remain in their designated house for their years spent at Northfield Elementary.

What is a "House"? Our Houses are not made of brick and mortar. Our Houses are made up of our Northfield Knights. Members of each House become a very close-knit group that help support and encourage one another. The Houses are a vehicle for emotional and social support that act as a positive learning community. The House structure allows for healthy competition, camaraderie, and excitement where students have hundreds of individuals supporting them and working towards a common goal.

The Houses create families within a family, helping students feel a part of something bigger than themselves. All students and staff members will be sorted into one of the four respective Houses. Each staff member will serve as a mentor for approximately 7-10 students during their time here at Northfield Elementary.

Our House philosophy is **"Four Houses – One Family"**. Being a member of one of the four Houses instills a sense of pride in students and creates an exciting school environment. Each House shares a common meeting space, a House crest, colors/themes, and a unique sense of culture. The Houses compete throughout the school year by earning House points for various activities, accomplishments, and demonstrations of Noble Knight character and behavior.

House parties and House meetings will take place throughout the year and all students, faculty and staff are encouraged to wear their House color on Fridays. We look forward to hosting family and community House parties throughout the year to continue to grow our House System at Northfield Elementary.
