

**2024-2025**

## **RES's Parent & Family Engagement Plan *One Pager***

### **What is your school's definition of Family Engagement?**

We will create an environment where our families feel welcome, participate in their student's day to day learning and understand that they have a voice in the decisions made to impact their students' achievements.

### **23-24 Title One family Survey Results**

Based on our 23-24 Title One family survey results, our families believe that the following aspects of education are either extremely important or important:

About 75% of surveyed families prefer email as their primary mode of communication, believe in strong support for behavior challenges, and believe in mental health resources. 80% of our families feel welcomed at Rymfire and our title one funded events should focus on Literacy and Math.

These needs will be addressed in our parent and family engagement events.

### **How we keep parents informed?**

- School Advisory Council (SAC)]
- School website
- Skylert email and phone calls
- Parent/teacher "Meet the Teacher" orientation
- School marquee
- Facebook page

**24-24 Scheduled Family Engagement Events** *Guardians and community members will be provided with standards based materials and activities to work with their children at home.*

- Literacy Night
- Math Game Night
- Hands on Science Standards Night
- ELL Night
- Targeted Family Support Night
- Multicultural Night
