Admission: \$0.00 – Parents and fans will be admitted for free.

Procedures:

Teams will play two **40 minute** running clock halves with teams utilizing only 1/2 the field.

The ball will start at the 40 yard line. There will be no special teams play. Offensive drives will stop and the ball turned over to the opposing defense after any turnover or failure to convert a first down or after a touchdown. When this occurs the opposing team will then start with the ball on the 40 yard line and the game will continue in this fashion. There will be no timeouts unless an injury occurs. There will be no point after attempts. During the five minute halftime between halves teams will switch fields to allow for a new opponent. The schedule below will show how this will work:

	<u>Flag Pole Side of the Field</u>	<u>Scoreboard Side of the Field</u>
