Dear Glen Hills Families,

We use the STAR Assessment to help understand student learning growth and achievement around grade level standards as students progress throughout the school year. This information is used to make instructional decisions to both support and challenge students academically.

The testing window is **September 11th-18th** for students in grades 4-8.. Any scholars who miss those dates will have make-up testing the 19th through the 20th.

Take a moment to review the resource below regarding the STAR test for families.
