

# GRISWOLD PUBLIC SCHOOLS

## District Partnership Advisory Council (DPAC)

The District Partnership Advisory Council (DPAC) is a district coalition that meets regularly during the school year to discuss and highlight all that Griswold Public Schools has to offer. The goal of DPAC is to move Griswold *Forward*, to welcome all interested participants, and to ensure that all are informed about our schools; the accomplishments of our students, faculty and staff; fundraising opportunities; and more. All are welcome (parents, students, staff, community members). *Your voice matters!* Join us at DPAC to move Griswold *Forward*.
