**NOW INTRODUCING...**  
**THE 24-25 SCHOOL YEAR**  
**"LIGHTS, CAMERA, ACTION: SPOTLIGHT ON  
LEARNING"**

**Connection  
to literature**

Greetings, EHUE Families,

We kicked off our school year theme, "Lights, Camera, Action! Spotlight on Learning" by rolling out the red carpet to welcome our new and returning shining stars on August 22!

In the first few days, students explored their biomes, met their teachers, and got acquainted with their classes. They also participated in RAMS Way lessons to review expectations around the building.

On August 26, we celebrated with our RAMS Way Kick-Off event, featuring performances from the Pine-Richland High School Marching Band, Cheerleaders, and Student Leaders. We were thrilled to announce our first reward, a Confetti Concert, once our school achieves 15,000 Dojo points! Our school community loved partnering with PRHS and kicking off the year with some fun performances, reviewing expectations and playing games!

This year's theme was inspired by the book Lotte's Magical Paper Puppets. Every ELA teacher received a copy to share with their classes. As we delve into Lotte's journey of discovering her interests and pursuing her passion, we hope this inspires our students to explore new interests, engage in learning opportunities and take center stage in their educational journey!

# EDEN HALL UPPER ELEMENTARY

Our school's primary goal this year centers on enhancing classroom instruction. We are specifically focused on aligning our teaching with the curriculum and standards, maximizing instructional time to boost engagement and learning, and providing meaningful feedback to support student growth and achievement. To achieve this, we will work closely with our students to foster engagement and enthusiasm for learning, and we will collaborate with our team through team planning and professional development to ensure the best learning environment for our students!

We invite all families to attend our first PTO meeting on September 10 at 9:30 AM in the Community Room. A virtual option will be provided. Additionally, we look forward to seeing many parents at our Meet the Teacher Nights next week! Please note that this event is for parents only.

Please mark your calendars for some upcoming spotlight events!
