ACTIVITIES AND MISSION OF TRIP

This program will partner with the Mandarin Learning Centre at Chung Yuan Christian University (CYCU) in Taiwan. Bolles students will be immersed in a two-week custom-designed Chinese camp run by high-quality Mandarin teachers at MLC. Their curriculum includes different levels of Chinese classes, various cultural courses, extracurricular activities, interactions with Taiwanese students and local tours. The mission of this trip is to create an opportunity for students to improve their Chinese language proficiency, gain first-hand experience with a different culture and develop compassion and understanding toward the Chinese and Taiwanese people. This trip directly supports the Bolles mission and connects with the Global Program, which requires students in the program to participate in one of Bolles' international travel programs.
