Call to Order	Amanda called meeting to order.
Celebrations	Pre-K had no kids cry for the first time. Getting a new Kindergarten teacher! Our school's performance grade 62%, we met growth!!
Approval of Last Meeting Minutes	https://docs.google.com/document/d/1sGVkBUNXx-dYu7n53mO8aKxkr-UB4vec/edit Rhonda motioned and Lisa second.
Old Business	None
Grab & Go Cart	Teachers are trying to send students to get a grab and go. Grab and go will move back to the hallway to try increase the numbers.
Heating Food for Students	Can we do this? Older students can or can not use microwave by themselves? -Students are not able to use the microwave to heat up lunch. Teachers need to let students and parents know that they need to bring lunch that does not need to be heated.
STEM Night	-STEM Night has been moved to January 25th.
Fall Carnival Baskets	We are already getting in items for the auction. Google Doc will be sent out to sign up for baskets.
Boo-Bash (PTO)	October 26th, admission will be \$5 for student and guest and additional \$5 for guest limit 2 guest per student. There will be a costume contest, dance, photo booth, concessions, and prizes.

	Concern about being too close to the fall carnival and if we would have enough turn out for both. Maybe we can combine it with the fall carnival? Make it a Christmas Bash possibly. December 15th?
Book Blast	October 17th. Teachers will show a video and kids will get a treasure map. There will be a presentation for staff members at the faculty meeting. Teachers can get books for class, and kids will also get books.
ID Badge Scanner for Gym	Pre-K wanted to know if we could get a badge scanner for the gym. People also wanted to know about the art and music room. Mrs. Deaton will ask but they are working on other schools so it may be a while before we can get that.
Open House Suggestions for Next Year	1. Make documents available before school starts. (Post on social media) 2. Get volunteers from the Methodist church to help with hallway directions and other non-vital roles. 3. Longer hours (start at 3 or 4) Mrs. Deaton will ask about the longer hours at the principal's PLC meeting. Teachers are also wanting to know about longer days for conferences. Teachers will make their own supply list for the beginning of school.
School Improvement Plan	Looked over anything that needs to be reviewed in Indistar.
Secret Staff	You can draw a name just like Christmas, but you do something for each month. Each month has a theme. It would be voluntary if you wanted to participate. Angie will send out something if you want to participate.
Open Discussion	Tell students and parents to label the students coats.

	Amanda Henley will be doing student council this year for grades 3-5.
Adjournment	Lynn motioned to adjourn and Sherry seconded.
