Call to Order	Mrs. Henley
Celebrations	Testing is over! 100% testing rate, field day was a success, the school year is almost over!, We had the highest attendance for testing than we have had in a long time.
Approval of Last Meeting Minutes	 SIT 5/1/23 Mrs. Mashburn approved, Mrs. Blake seconded.
Old Business	Playground Update - We are still talking to the company about repairing the seesaw on the playground. Sunshine Guidelines - Mrs. Henley is updating the hardcopy. Mrs. Mashburn made a motion to up dues to \$25 for Certified and \$20 for Non-Certified. Mrs. Loflin seconded. If a teacher opts out of this they will not be sent the appropriate items if the issue arises. A survey will be sent out to staff to see what everyone prefers the school to continue including in Sunshine.
Perfect Attendance Awards	Perfect attendance awards-given on the last day of school with just name recognition during the awards ceremony. Other schools say to get the actual certificate they must come to school on the last day. Keep things as they are
Discipline starting next year	Can we develop a school wide behavior plan (bus included), to help prevent repeat offenders. Example: 1, 2, 3 strike policy?

	We have a policy already in place. We will have SIT look over this over the summer and then share out. Do we all need a PBIS refresher? Educators Handbook Refresher?
PBIS Referrals	Starting next year we need a different referral form for students to fill out. Teacher needs to give permission (so we aren't just giving them out because our friends want us to...) We will go back to students not giving out PBIS positive referrals. Students can tell teachers about something they have seen and then the teacher can decide if they want to write it up.
Last Week of School	We have no break at all this week but we still need time to complete PDP/class lists/check off items/ and now all of these reports for honor roll (very short notice). Can it be worked out that a connect teacher comes to cover for a time at least once this week?
Summer Meet Date	Thursday August 10th in the morning
Theme for Next Year	Jungle theme - "Learning is an adventure"
Feedback for Master Schedule	If you have any feedback for the schedule please email to Mrs. Deaton.
SIP	
SIT Election	Grade levels up for re-election - Pre-K, 1st, 3rd, 5th, TA
Awards Day Ceremony	Have students get all awards at one time as they cross the stage. Table until next meeting.
