Call to Order	
Celebrations	Most of testing is complete. In the 2nd 9 weeks, there were only 19 discipline referrals! We have started the 2nd semester!
Approval of Last Meeting Minutes	 SIT 12/5/22
Old Business	n/a
Cafeteria Cleaning Bucket	After the 1st few tables, the water is nasty and cold. Spreading more germs than cleaning. What can we do about this? We will switch to using spray bottles. Teachers will spray the table and then students will wipe.
Printer Issue	Is there a way to take off the "automatic time erase" on the printers? If you do not go to print within so long (unsure of the exact time), the print job will be gone. Often, we send things throughout the day, but cannot go to print the papers until the afternoon. Then, the material is no longer waiting. Mrs. Deaton will email and see if there is a timer that clears out print jobs.
Insects/Bugs	Roaches, spiders, etc. in the building. Can the county office come to spray? Teachers please email Mrs. Lynn if you are seeing bugs or roaches in your room. Please be specific. Mrs. Lynn will contact the county and ask about spraying.
Playground	Do we have funds to complete the fence around the ball field? Waiting on a quote for replacing equipment. Mrs. Deaton will check on the fencing. We have asked for a quote on equipment. We may have someone willing to donate money for equipment. Look into extending the fence by the road to go towards the woods and close off the opening.

Breakfast	Students need to go to the cafeteria as soon as they arrive. Several of the same students are frequent fliers at 10 minutes and 5 minutes to 8 although they have already been in the building for a while. Students should go straight to breakfast from car riders or bus riders. Students should not go drop off bags in the classroom. Students should not walk a lap around the school to visit. After breakfast go directly to their classroom.
Someone Special Dance	PTO is working the food area. We have a volunteer to be the DJ. Teachers will work the dance. Please let students know that they can pay at the door. \$5 for 1 child and 1 adult. Not open to siblings that are not students at Star. Please share information with parents.
Future Forward	If you have any questions for Future Forward please share with Mrs. Deaton ASAP.
Update SIP	All goal are up-to-date. Teachers will begin data mapping with the MOY data (2.01). Review of goals in SIP with growth. Teachers will meet with IF and principal to track student data.
Open Discussion	100th Day of school is February 9th.
Adjournment	Mrs. Mashburn made a motion to adjourn. Mrs. Hurley seconded.
