Dismissal	The hallways are too chaotic in the afternoon. Car riders are gathered in the hallway sitting for up to 10 minutes before car riders dismiss. We can not start car riders until 5th grade students have been dismissed at 2:40.
Speech Paperwork	Is there a different way that speech paperwork could be handled other than the teacher having to print, make sure it gets signed, letting her know if it was signed, and making sure to give a copy to Mrs. Blake?
