Old Business	\$50 Jean Pass Wait until January and will change to \$25 for the remainder of the year.
Classroom Disruptions	If there is an email during the day about things like trash, fire drill, something that needs to be completed by a certain time, can it be sent before students arrive or do an all call for us to check email. It's hard to monitor email when the focus is instruction and interactions with students. Please try to plan ahead and have it announced in the morning. DLC - Please create a form that teachers can sign up for help if they need it
Coats & Jackets	Students are leaving coats mostly at recess. We will encourage parents to look through what we have so far at awards day. We will also encourage parents to put their child's name in the coat.
Guidance Coverage	We will have a substitute in Guidance for the next 12 days. They will only work a half day and not cover intervention times.
