Breakfast Times	Breakfast numbers are down. Cafeteria staff would like students to be able to get a cafeteria breakfast until 7:50 allowing 5 more minutes..They would like students to be able to eat in the cafeteria until 1st bell (7:55) and all students clean up and leave on the first bell allowing 5 minutes to get to class. This is the times already in place. What can we do about changing the menu selection to increase students interest?
