Old business	Kami expires soon. Are there funds to purchase? Mrs. Deaton will look into what funds can be used to purchase this program. - It was very costly to order as a district and school so most teachers are using their \$250 to purchase. Pick a day in December for grade level Awards Day. - We will wait until January to do awards for students based on the 1st semester awards.

Polar Express Drive-Thru	Thursday December 10th 4-6pm. ***Star students only*** Teachers dress in Christmas attire or pajamas. Possible Santa. Hot chocolate packs, candy canes, and IAL book. We have also ordered pencils. Looking into reading a book and playing Christmas music through the radio station.

Students will be split up and enter doors closest to their classroom. Afternoon dismissal will be by student, not all waiting in the halls. Talk to teachers in other districts for ideas on what works well. Send Mrs. Deaton anything that comes up.
