

SIT Notes - Monday, November 2nd, 2020

Attendance: Stacey Crump, Danielle Hurley, Janet Deaton, Esther McDonald, Samantha Stewart, Lynn Maness, Rhonda Mashburn, Laura Hannaford, Mandy Hall, Amanda Henley

Celebrations	Fall Carnival went well, Picture Day and report card pick up went well, Ms. McDonald had a student in a live meeting that she hasn't seen in a while
Approval of Last Meeting Minutes	All in favor of approving last meeting minutes.
Old business	Title I money to pay for student involvement, Stacey will resend Google Doc for "how to" videos
Reading Counts Celebration/awards	We need to get all students on Reading Counts and taking tests. We need to start to plan celebrations for students' achievements. Possibly something similar to SOM as a social media post. Mrs. Hall will do a weekly post for top Readers.
Staff Thanksgiving Lunch	Can we do anything? Would staff like to do a potluck meal? We would still have to social distance. November 23rd and Mandy will send out a sign up sheet.
Student Failures/interim reports	November 17th interims will go home and teachers can send home resources on this date as well. We have about 70 students who are failing after the first 9 weeks. We have to make sure we are differentiating and following IEPs. What can we do to get these students on track? Edpro doesn't consistently work to message the students.

	Afterschool Merit would be very beneficial to have 1 on 1 times for help.
NC Check ins	We are unsure if it is like iReady where you can work a little at a time. Waiting for more information to see if they will need to sit and complete in one sitting. Will students have to sign in under Testing login information? Can not send testing id and code simultaneously. Will discuss more information at the 3-5 PLC.
Classroom Setup	Get room set up for students and everything cleaned. Be prepared for the Fire Inspector to come through. Should have bean bags and stuffed animals put away, since students can not share. Does anyone need anything moved out of their rooms?
Kami	Expires soon. Are there funds to purchase? Mrs. Deaton will look into what funds can be used to purchase this program.
Awards	3rd grade would like to do virtual awards for the whole grade. Pick a day in December for grade level Awards Day.
National Boards	November 16th meeting for anyone interested in applying for National Boards.
Open Discussion	Some students are still having work completed by parents. Tip sheet for parents to help with what to do throughout the day. Try to start sending less messages and post important information in one location. Start to think of Christmas plans.
